CHRISTIAN SCIENCE CHURCHES
"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" was the subject of the Lesson-Sermon Sunday, Dec. 2, in all churches of Christian Science, branches of The Mother Church, The First Church of Christ Scientist, in Boston, Mass. The citations which comprised the Lesson-Sermon included the following Bible selection from Deuteronomy 18: "When thou art come into the land which the Lord thy God giveth thee, thou shalt not learn to do after the abominations of those nations. . . Thou shalt be perfect with the Lord thy God. For these nations, which thou shalt possess, hearkened unto observers of times, and unto diviners; but as for thee, the Lord thy God hath not suffered thee so to do." The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" (p. 239), by Mary Baker Eddy: "Let it be understood that success in error is defeat in Truth. The watchword of Christian Science is Scriptural: 'Let the wicked forsake his way, and the unrighteous man his thoughts.'" Miss Arreen Miller returned last week from a week's vacation at Lake Tahoe, San Francisco, and Reno, Nevada.
