**Next to Kelly-Springfields, choose Buckeye Tires**

If you are looking for good, reliable, low-priced tires, you can't beat Buckeyes, built and guaranteed by Kelly-Springfield.

While the Buckeye is frankly a second-line tire, it is built by the same workmen and with the same care as the regular first line Kellys. In quality and value it is so far ahead of the ordinary low-priced tire that there is simply no comparison.

If you want extra service and the longest most economical tire mileage money can buy, buy Kelly-Springfields. If you want the next best, buy Buckeyes. We sell both.
