

DEPENDABILITY

KNOWING that you live in a community where you can depend upon the folks to do as they say they will do, folks that always play fair in social as well as in business life, makes life really worth while. As you think it over, you will find that the average folks in this community are dependable. With dependable folks as a basis, there is no reason why we can't make this community the business and the social center of this entire territory.
