SAVE WITH ICE

Summer Dishes Cool and Refreshing

A BOWL of salad, a crisp and cool—desserts of frozen goodness—summer meals can be made enchanting when they are planned to relieve the heat of summer days! And it is so easy, costs so little to prepare dishes that are truly refreshing.

The essential thing is plenty of ice in a good refrigerator. Ice-chilled and ice-cleansed air keeps meats, fruits and vegetables fresh, full of their delicious juices and flavors. Then, too, you always have abundance of ice for all the dozens of uses which summer days demand.

And remember, the cost is only a few cents a day. Let us show you how little it costs to have all the ice you want.
