

CO-OPERATION

Crowns Super-Effort of Torrance Builders With Success in Erecting D. & M. Machine Plant
In Record-Breaking Time of 23 Days

WORKING SIDE BY SIDE IN HARMONIOUS ENDEAVOR, THE CONTRACTORS AND FIRMS WHOSE ADVERTISEMENTS ARE PRINTED ON THIS PAGE CONSTRUCTED THE MODERN NEW PLANT OF THE D. & M. MACHINE WORKS IN EXACTLY 23 DAYS FROM THE TIME THE GROUND WAS BROKEN UNTIL THE FACTORY WAS ON PRODUCTION. CO-OPERATION DID IT!

We Went "PLUMB" Crazy Over The D. & M. Machine Works Job

Because it brought on us demands for action and that is what we like . . .
ACTION! We are happy to have had a part in it.

TO MY SUB-CONTRACTORS ON THE D. & M. MACHINE WORKS JOB

I wish to publicly express my sincere ap-
preciation and extend congratulations to
each of the Sub-Contractors on the above
mentioned work. Their splendid spirit of
co-operation and excellent efficiency dis-
played in the speed and accuracy of their
respective duties broke many real building
records. It is such spirit of pulling together
that helps build great cities.

To these firms I
express my thanks:
