May First Lures Men To Wilds, "Fishin' Widows" Are Numerous in Torrance

"Hey, goin' fishin' Thursday?" This question has been asked many times in Torrance during the past week, and indeed from the number of fishing licenses that have been taken out, it looks like there will be a lot of "fishin' widows" in town this week.

C. A. Paxman holds the record of being the first in Torrance to take out a license, but whether or not that will make more fishes bite the hook is yet to be seen. Others who have taken out licenses early are O. E. Fossum, Ronald Williamson, John Holm, William Vance, Otto A. Kresse, Charles F. Myers, J. R. Jensen, Harry M. Schowalter, Bert Lantz, Jacob Lantz, Ellis Harter, H. R. Tibbetts, Grover C. Whyte, Bruce Bilger, Jack Hanson, Sam Levy, George Spaulding, Elmer Grabel, George Walters, Joe S. Taylor, L. B. Kelsey, Art Finster, Jerry Clark and George Peckham.

Blues Lose To Trucks On Errors

Ragged Game Served Up to Fans at Los Angeles Field Sunday

Rain which fell in intermittent showers over this district two weeks ago Sunday, caused a postponement of the game between the Torrance Blues and the Star Truck outfit, at their grounds at 62nd and Western avenue, Los Angeles. Only two and a half innings were completed on that date, so the game was called off and the Blues went back last Sunday to fill their date there.

It probably would have been just as well if they had stayed at home, except for the fact that the boys got a lot of exercise and Tansey got a chance to look over some of his pitchers.

The Star Trucks rolled over the Blues boys and flattened them under a score of 11 to 9.

Both pitchers were wild, and support was ragged. Franche started for the Blues, and appeared at the outset to be right. He fanned the first man up, but the next batter was safe on an error. Franche wobbled a bit at this exhibition and passed Weber, Olie filed out to Alabama in right, but Franche was still a bit nervous and passed Ed Watkins, filling in. Lowry seized the opportunity to give all the boys a ride by whanging one far out for a homer. Mutch singled and Franche tightened up on Spencer, setting him down on strikes. However the fat was in the fire and the Truckmen had gained a lead that was never overtaken.

In spite of the erratic performance, the game had a few highlights of flashy baseball, as witnessed by three double plays, which robbed Torrance of chances to score.

Next Sunday the Blues will go to San Gabriel again where they will meet the colorful and dangerous El Paso Shoemen. The Zapateros trimmed the Blues down to a small and snug fit a week ago with a final score of 1 to 0, the only score of the game being made on an error.

Great interest has been aroused in this game, and a record-breaking crowd is expected to watch the performance.

Carnival Circus at Narbonne

Annual Event Will Be Put on May 14 to Benefit Boys' Athletic Association

LOMITA—Narbonne annual carnival, given to raise funds for the Boys' Athletic Association, will be held Wednesday, May 14. Last year the circus was a great success and plans are under way for a greater show than ever. This annual event is really the boys' week activity, but comes later due to the fact that boys' week follows vacation, which does not permit sufficient time for preparation.

The show will be held both in the afternoon and evening with various school clubs competing for a prize. The booths will be more numerous and varied than last year with bigger and better prizes. Darrel Wolverson is manager for this year's carnival, which is sponsored by the Vigilantes and Lettermen although put on by all the boys. One direct object is to help pay for the new baseball suits which were purchased this year.

Postpone Junior Olympics Meet

The Junior Olympics invitational meet, which was to have been held yesterday afternoon on the Torrance athletic field, was postponed until next Wednesday on account of the rain.

Gauchos Lose Opening Game To Banning

LOMITA—The Gaucho baseballers lost the opening league game of the season 9-0 on the Banning grounds. The Wilmington team presented a strong team with last year's line up intact and played good ball. Narbonne secured only 3 hits, while Banning got 8, and therein lies the story. Failure to hit when his meant runs cost Narbonne a possible victory. Only 3 Banning runs were earned.

Captain Darrel Wolverson was Narbonne's outstanding player, pulling two sensational catches that brought the spectators to their feet. Milo, the Banning pitcher, was Banning's best performer. Leo Blumenthal pitched a nice game for Narbonne, but was a trifle wild and lacked control. An injury to Ralph Ruffrage's wrist, which prevented him from pitching the opening game, marred the Gaucho chances, and necessitated removing Blumenthal from short to pitcher. Narbonne's opening lineup was Johnson, catcher; Blumenthal, pitcher; Asplitt, first base; Kelley, second base; Clayton, shortstop; Murphy, third base; Wolverson, left field; Dallope, center field, and Hirota, right field. Others who saw action were Day, Thistle and Robinson.

Tomorrow the Gauchos travel to Washington to meet the strong Washington team, which decisively defeated Jordan last week.

Narbonne's nine took Redondo into camp for the second time this year by winning a 5-1 victory at Redondo Tuesday. The series had stood at one all. Ruffrage struck out 10 men in the five innings he pitched and allowed but one hit. Day, Blumenthal, Hirota and Clayton did most of Narbonne's hitting. Due to yesterday being senior sneak day, Narbonne did not have a single senior in the lineup, but looked good just the same. Kelley featured in the field for Narbonne and Wundnich at first base.

This afternoon Narbonne's Jr. Varsity plays Banning Jr. Varsity at Narbonne. A close game is expected due to the great rivalry that always exists.

GLIDER MEET ALL SET FOR SAT. MORNING

Everything is all set for the Boys' Glider Contest Saturday, May 3, according to A. D. Hayes, chairman of the Kiwanis Club committee in charge of the event. The big event will be held on the Torrance High school grounds at 8:30 a. m. and a brilliant array of prizes are offered. There has been a slight change in the rules, however. Instead of the special award going to the distance winner, it will be awarded for the longest endurance flight. Boys who had entered gliders for the contest up until noon Wednesday are: John Schroeder, age 13; Prentiss Johnson, 13; Robert Elms, 13; George Bradford, 13; Earl Hip, 13; Perry Mendenhall, 13; Floyd McMillan, 17; Guy Rowell, 17; Alan Renn, 13; George Lancaster, 14.

Team Consoles Sick Pitcher

LOMITA—John Yelovitch is in the Jared Sidney Torrance Memorial Hospital slowly recovering from the effects of appendicitis. Being ill has its compensations, however. "Long John" received an autographed baseball from the members of the Junior College team, of which he is star pitcher, and tomorrow afternoon the entire team plans to visit the lanky invalid.

Exhibition Drill at Dance Wednesday

LOMITA—A feature of the dance to be held in Odd Fellows' Hall Wednesday evening, May 7, will be the exhibition drill to be given by the drill team of Delmore Camp of Royal Neighbors.

NEWS AND NONSENSE IN THE P. E. SHOPS

Edited by Carleton B. Bell

I have had it pressed home to me forcibly during the last three weeks that this literary life, politics and trying to earn a living on the side keeps one man mighty busy in fact TOO busy. During the last few weeks I have had to forego the pleasure of writing for this N. & N. column, but hope that I can get my time so planned out that I will not have to slight my dear readers again. It would mean frequently to me to have to give up either of my main occupations and it would be very difficult to decide in which field I could best serve "My public." The wife insists that I retain my side line with the P. E. to support my family.

I am not the only one in the P. E. that is overworked. Take Fred Maisey for instance—it takes a good watchman to take care of one gate, especially the main one, but to watch all three and did a good job of it, too, although he lost some weight from working so hard and from the added responsibility.

We are especially sorry to lose one of the most popular characters of this column, Loyd T. "Red" for "Rajah" Adkins. He recently resigned to return to his former position in the Fox Film Co. He was everybody's friend and active in all sports and other P. E. Family activities. We wish him the best of luck in his new position.

Harold "White Hope" Lynn has an exceptional cause for worry. Only one other family that I know of that ever worried in just the same way. The other morning early one of the twins fell out of bed and was injured, necessitating a trip to the hospital. The worry comes from his not knowing which of the twins was hurt. Glad to say the injured twin is all O. K. now.

Jack McEwing is making a bid for fame similar to that made in the past by the great and only "Death Valley Scotty." Jack has taken to making secret trips to the desert of late and we can be looking for Jack to be flashing \$100.00 bills and blue flannel shirts any time now.

Our old friend John W. Cusick is back in town and living at No. 1128.

TORRANCE BRIEFS

Mr. and Mrs. E. T. Lintott spent Sunday at San Juan Capistrano.

Mr. and Mrs. J. O. Engel, Mr. and Mrs. B. H. Lingenfelter, and Lieut. and Mrs. Ivan L. Farman were guests of Mr. and Mrs. Hugh M. Thompson in Long Beach Sunday.

O. T. Chambers and his wife, Dr. Maude Chambers, visited over the week-end at Sunland, Sierra Madre and South Pasadena.

Mr. and Mrs. M. M. Porter spent the week-end in San Diego.

The annual flood of vacations is about to start, a few employees have already gone and more will be gone or going soon. George Hudson was one of the few. New his took an early trip to the Yosemite.

Roy Brucker knows about vacations, too. He is a bachelor on account of his wife taking a trip east to Minnesota to be gone a month. Roy is trying to be brave.

James Lloyd has a problem that is hard to solve. He got a few dollars in a perfectly legitimate manner a few weeks ago but kept it a secret from his wife. Now he is afraid to spend it for fear of awakening his wife's suspicions and doubly afraid to let her know he still has it. His fellow workmen suggest the Salvation Army or the starving of China as a suitable outlet for this fund.

HUDD LOSES ASH BARREL

It is not unusual to hear of the theft of precious jewels, or to hear of a bank or store robbery, but it was a little different, thought E. W. Huddleston, when he found that the ash can had been taken from the rear of his store on Sartori avenue.
The ash can was missed Saturday morning and a report made to the local police. Huddleston's name is pointed on the receipt.

SANTA PAULA—(UP)—City fremen rushed expectant to Silver Strand. Arrived to see a pot of beans left smoking on the hearth.
