CHRISTIAN SCIENCE
Paul's declaration to the Corinthians, "The fashion of this world passeth away," constitutes the Golden Text in the Lesson-Sermon on "Matter," Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
One of the Scriptural citations includes Christ Jesus' words: "Whoever cometh to me, and heareth my sayings, and doeth them, I will show you to whom he is like: he is like a man which built a house, and digged deep, and laid the foundation on a rock; and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock. But he that heareth, and doeth not, is like a man that without a foundation built an house upon the earth; against which the stream did beat vehemently, and immediately it fell; and the ruin of that house was great."
A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, contains the following statement: "The testimony of the material senses is neither absolute nor divine. I therefore plant myself unreservedly on the teachings of Jesus, his apostles, of the prophets, and on the testimony of the Science of Mind. Other foundations there are none."

Christian Church to Have 'Home Coming'
Next Sunday, September 21, the First Christian church will hold a "homecoming" service at their present home, Engracia at Arlington, with the pastor, George G. Elder, in charge. The day will be marked by many significant events. Beginning 9:30 sharp, there will be a rallying attendance in the Sunday school.
Special recognition will be given the class having largest attendance based on enrollment; the person who has attended the longest period of time without missing; the oldest person present; the youngest person present and the person bringing the largest auto load.
The "homecoming" service, the main service of the day, will begin at 10:50 sharp. At this hour the pastor will bring a "homecoming" message. A roll call of the charter members of the church will be made also.

Unique Campaign Is Planned By Church
Beginning next Sunday, September 21, the Torrance Christian church will engage in a community-wide acquaintance visitation campaign. The campaign, covering a period of four weeks, will close Sunday, October 19th.
"An acquaintance visitation, as the name signifies, is for the sake of better acquaintance among the members of our church family. Two hundred or more splendid folk have been received into our fellowship since we began our ministry in this city a little less than two years ago. The chief difference between the church here and the old home church is, we know so few. We will know each other better when we meet in our homes," Rev. George Elder, the pastor, said today.

Lutheran Church Plans Addition
Will Enlarge Department for Sunday School
The First Evangelical Lutheran church of this city is contemplating the building of additional Sunday school rooms. The Sunday school has grown to such an extent that the present building, erected two years ago is inadequate to house all the classes. For this reason a campaign has been inaugurated to create a building fund in order to meet this need. The entire congregation has been enlisted in this campaign. Money barrels have been given out wherever the classes meet. For this reason a campaign has been inaugurated to create a building fund in order to meet this need. The special service to be held next Sunday evening at 7:30 o'clock will be in commemoration of the four-hundredth anniversary of the Augsburg Confession, which is the oldest and most important confession of the Lutheran church and the basic confession of all protestants. This occasion will be observed with an appropriate program by the Sunday school and an address by the pastor. Every body is cordially invited.
