Under plans agreed upon at the first party, dances will be held once a month on the second Friday, but due to a confusion with another social affair, the next committee in charge have decided to hold the next party on Friday, March 6. Ask County For Big Work Fund

(Continued from Page 1-A)

Holland, superintendent of the department of county charities, had just previously volunteered the acknowledgment that Torrance was a "white spot" in the county charities' records insofar as the number of dependency cases here was concerned.

This admission by the department of charities was credited by the local committee as a favorable opportunity for this community to receive very early consideration of the funds sought for. Supervisor John Quinn will be asked to lend his support to the request for the fund.

The Torrance Relief Society is sending out a call for donations of used clothing, and all people of Torrance and vicinity who have articles no longer needed are asked to send them to the Society headquarters at 1803 Cabrillo avenue, or to communicate with members of the organization so that the goods may be gathered up.

This is particularly true in the purchase of jewelry, watches and precious jewels, where much depends upon the jeweler's judgment and reputation for fair, honest dealings.
