Handbill Law Reaffirmed

There will be no change in the ordinance prohibiting the distribution of handbills and the scattering of other advertising matter promiscuously on porches and lawns within the city, the council decided Tuesday night.

Two weeks ago a petition, signed by 18, was presented by Frank Buffington, manager of the J. C. Penney Company store here, asking the council to amend the ordinance and permit local merchants to distribute advertising matter.

At this week's council meeting, a petition signed by 103 taxpayers, strongly urging the council to sustain the anti-handbill ordinance was read, and the council voted unanimously to leave the ordinance unchanged.

Karl's Great Shoe Stores Locate Here

Karl's, operators of over 60 shoe stores in California and Arizona, have opened a Torrance store at 1277 Sartori avenue in the Newberry building.

"We sell over 75,000 pairs of men's women's and children's shoes each calendar month, and over a carload of shoes every Saturday, in our 62 stores," said I. Blum, manager of the Torrance store.

Karl's Kustom-Made Shoes, the name under which the stores are operated, was established in 1904, and from a very modest beginning has grown to be one of the largest retail shoe selling organizations in the United States.

On another page of this issue, a list of very attractive shoe values are advertised by the Torrance store.

ZONING LAW OKAYED

No protests were registered with the council at a public hearing held Friday evening on the proposed codified zoning ordinance. The measure will be passed in the near future.

Mrs. Laura Shelton has as her house guest her sister, Mrs. C. H. Kimes, of Enid, Oklahoma.

DOCTOR GRADUATE IS HONOREE AT PARTY

Dr. Esther Fiesel was guest of honor at a dinner party Sunday evening at the home of her parents, Mr. and Mrs. Fred Fiesel, of Carson street, Keystone, the occasion marking Dr. Fiesel's graduation from the Los Angeles College of Chiropractics.

The class colors, purple and gold, were used as the decorative theme with a large purple bowl of yellow chrysanthemums forming the cen-

ter piece of the table. As Dr. Fiesel is also an accomplished pianist and singer, her talent added charmingly to the evening's entertainment. Her family are pioneer settlers in the Keystone district. The guests present were her family and a number of intimate friends.

Mr. and Mrs. C. M. Rohring were dinner guests Sunday of Mr. and Mrs. Charles Smith of Glendale.

LOMITA LOSES BATTLE

LOMITA.—A wonderful pitcher's battle, lost for Lomita by errors, featured Sunday's game with the Pacific Electric club. Drysdale for the Los Angeles team, and Yelovich each allowed but three hits out of which Lomita made three runs, and the P. E. team four. Sunday the Lomita team plays its old rival, the Valley Boulevard Merchants. Another close game is expected.

GAUCHOS IN BAD LUCK

LOMITA.—Narbonne has struck a streak of bad luck in basketball. After taking all four games from Torrance, the C's fell down on the Leuzinger game and met defeat. Then Narbonne lost three games to Banning, the D's still retaining the Varsity and the C's but the B's won, 39 to 7, and the D's, 17 to 11.
