**S. C. D. Lowen Asks the  
Chamber of Commerce to  
Reconsider Action**

S. C. D. Lowen, 301 Beech  
et, addressed a plea to direc-  
of the Torrance Chamber of  
merce this week urging cham-  
officials to reconsider their  
on in withdrawing support of  
Mothers' Educational Center.  
in the chamber went on the  
cent tax basis recently, the  
thly appropriation of \$15 to  
the expenses of the baby  
e was eliminated from the  
get. Mrs. Lowen's letter, in  
follows:

Speaking from my own experi-  
I know that Dr. Wilde's work  
sustaining your mothers in the  
er care of their children has  
a Godsend to numerous Tor-  
e people. I cannot believe that  
taxpayer of Torrance, how-  
frugal, being acquainted with  
wonderful work which Dr.  
le has been doing, could be-  
ge the trifling outlay of fif-  
dollars per month necessary  
the maintenance of the baby  
c.

It is my hope that the chamber  
reconsider its action, in order  
Torrance babies will not be  
ved of the advantages which  
available to the children of  
ficially all other important  
munities in Los Angeles  
ity."

Chamber directors laid the mat-  
over until their next meeting.
