SOUTH LOMITA CHURCH NOTES

The Lord's Supper will be observed at the morning service next Sunday. V. V. Morgan will preach from Romans 12:1, 2.

T. C. Horton, the father of Mrs. V. V. Morgan, was buried Tuesday, March 1, the funeral service being held at the Church of the Open Door in Los Angeles. Mr. Horton was the founder of the Fishermen's Club—the first of which was the organization from which grew the Bible Institute of Los Angeles.

The church welcomes the Re-

son sisters, who moved to Lomita on Monday to engage in active Christian work under its auspices.

The Go Tellers' Club met in two groups this week with encouraging attendance after two months' vacation.

The Young People's Society, searching for a distinctive and appropriate name, has offered a New Testament to the person who shall submit the most fitting. Miss Katherine Beard is receiving the names to be submitted in this contest.

Next Sunday evening the young people start to study the book of Revelation, which naturally follows the study of Daniel, just completed.

CHURCHES OF CHRIST, SCIENTIST
"Man" is the subject of the Lesson-Sermon on Sunday, March 6, in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Among the Scriptural citations in the Lesson-Sermon are these verses from Jeremiah: "Thus saith the Lord; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord. For he shall be like the heath in the desert, and shall not see when good cometh; but shall inhabit the parched places in the wilderness, in a salt land and not inhabited. Blessed is the man that trusteth in the Lord, and whose hope the Lord is. For he shall be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit."
A correlative selection from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "In Science man is the offspring of Spirit. . . Spirit is his primitive and ultimate source of being; God is his Father, and Life is the law of his being."

Big Barbecue Planned By Men of Bible Class

Attendance at Sunday Sessions Is Price of Admission as No Tickets Are Sold

The Torrance Men's Bible class is working out plans for a barbecue which will be held April 8. It's going to be the real thing, put on by a real barbecue chef, who is a member of the class. A large steer will be part of the menu and it will be barbecued whole.
There has been much comment in the air about this barbecue and the talk has taken root. Many of the members of the class have never been to a real honest-to-goodness barbecue and they are looking forward to having a long wish and desire realized.

The class is in a three-way contest, including a men's class in Los Angeles and another in Long Beach. The contest is not but Torrance is still in the lead.
The purpose of the barbecue is to build up the attendance and tickets will be secured only through registering at the class on Sunday morning between now and the time of the barbecue. Positively no tickets will be sold and money can't buy them. Every man in the community is welcome and urged to attend and this should be a real inducement for every man to attend. Registration will commence Sunday, March 6.

Not only the men will attend but their families also, and preparations are being made to take care of at least one thousand people. A real entertainment will be a part of the program with outstanding talent taking part.
The special feature program next Sunday is sponsored by the fire department under the direction of Ben Hannebrink, fire chief.
The class meets every Sunday morning in the Torrance Theatre at 9:30 o'clock.

Announcing the Appointment

Mr. E. C. Nelson

To the Position of
President and General Manager

Torrance Water, Light & Power Co.

THE appointment of Mr. E. C. Nelson to the position of President and General Manager of the Torrance Water, Light & Power Company, marks the beginning of a new epoch of more intimate relationship between this important utility and the citizens of Torrance.

Mr. Nelson is thoroughly acquainted with the problems involved and will devote his entire energies toward bettering the service with the hope that through more satisfactory service, the water company may win the greater esteem and confidence of its consumers.

A policy of sympathetic understanding of consumer needs will be rigidly enforced. A number of improvements and important changes will be made which will be announced as they develop. In the meantime, it is hoped that the citizens of Torrance will come to Mr. Nelson with their problems and suggestions.

With both the consumers and the company approaching the situation with an open mind and with a sincere desire to cooperate, we feel a truly satisfactory water service will be provided.

SIX WEEKS OLD

... and paid for!

"YES, HE'S ALL OURS," the young mother said proudly. "It's so much nicer not to have bills hanging over our heads, and people joking about an 'installment-plan' baby."

"Our cash reserve in the bank took care of everything. We have never let our savings account fall below six months' income."

Such a fund is not too much to have in reserve for illness, loss of work or extra expenses.

If you have a slumbering savings account, why not wake it up—add to it regularly! Interest payments will help you to accumulate a safe reserve.

There can be no better time than the present to make a new start at a convenient Bank of America branch.
