PROTECTING DOLLARS AT WORK
IN EVERY PART of California, Bank of America has dollars at work—in the form of loans to industry, agriculture, responsible individuals.
These loans are widely diversified in every sound major business activity of the state.
Never more than a small portion of our total deposits is loaned to any one industry, crop or section.
Thus, in a very real sense, the strength of California—its diversity of climate, crops, business—is an added safeguard for Bank of America's statewide loans.
And this Bank has unexcelled facilities to protect its dollars at work: banking offices in 243 communities, serving the entire state; intimate knowledge of local conditions; the resources of each branch reinforced by the resources of our entire organization.

Candle-light Communion to Be Observed
Meditation, Fasting, Prayer, to Mark Service at Christian Church Thursday
The First Christian church, Torrance, will observe the Thursday night "Upper Room" candlelight communion service this week. The entire membership of First church will fast Thursday evening and come to the church in the spirit of meditation, fasting and prayer. Jesus said to his disciples in the long ago, "Can ye not watch with Me, one hour? Watch and pray, that ye enter not into temptation."
It is planned to decorate the church auditorium and prayer room in green and white for this service. The communion table, spread in advance, will be placed on the platform so that it will have the most conspicuous place. White candles only will be used in the lighting. Members of the choir, the minister, the elders and deacons and the light bearers, will be especially attired to add to the beauty and solemnity of the service. The processionality of the service will be observed by the girls, led by 12 girls carrying tall, white, lighted candles. Following the girls will come the choir, and following choir, the minister, the elders and the deacons in order.
A simple service of familiar hymns, significant to the Lord's Supper, with suitable scriptures and prayers, will be used. Each communicant as they enter the building will observe the "quest of silence" as they take their seats, each bowing his head in silent meditation and prayer as soon as they are seated.
A printed Order of Service with full instructions in regard to "how" to partake of the emblems, and "how" to leave the auditorium when the service is over, will be placed in the hands of each person. Rev. Elder, pastor of the church, said: "This is the Lord's Table and no one will be barred—all are welcome to attend and have part in the communion."

CHRISTIAN CHURCHES
"Since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what hath been prepared for him that waiteth for him." This assurance of Isaiah's is the Golden Text in the Lesson-Sermon on "Reality," Sunday, March 27, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
Other words of Isaiah's are included among the Scriptural selections: "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things: thy counsels of old are faithfulness and truth. . . . For thou has been a strength to the poor, a strength to the needy in his distress, a refuge from the heat, when the blast of the terrible ones is as a storm against the wall. . . . And he will destroy in this mountain the face of the covering cast over all people, and the veil that is spread over all nations."
Among the statements of Mary Baker Eddy, cited from "Science and Health with Key to the Scriptures," are the following: "All reality is in God and His creation, harmonious and eternal. That which he creates is good, and He makes all that is made."

Sunrise Services Held In Number Of Places Sunday

Easter sunrise services which will attract thousands of worshippers from all parts of Southern California, will be held in many localities. Principally, the crowds will flock to the old established and better known localities Mt. Rubidoux and the Hollywood Bowl, but there are other services carried out on a smaller scale, but no less impressive. These may be found at Lomita, Avalon in Catalina Island, and many others.
Following a custom of several years, services will be held at Red Rock Canyon, in a natural amphitheater among vari-colored cliffs. Red Rock Canyon is located 25 miles northeast of Mojave on the Midland Trail.

Contest Success Due to Newspapers

The 656 Salvo Contest recently conducted owes most of its success to newspaper advertising. No radio or billboards were used in this campaign. This contest was of national scope and thousands of entries were received from every state in the union, according to the Monticello Drug Company, manufacturers.

M. E. Church Will Show Film of Hawaii Scenes

The film covers island scenes very extensively, showing the beach at Waikiki, surf-board riding, Hawaiians at work and play, pineapple fields, sugar plantations, the daylight trip to Hilo, the world's largest active volcano, Kilauea, and many other scenes. Between reels "Uncle Remus" entertains with song and story, giving also a brief talk on his own trip to the islands.
