LOCAL DANGERS AT WELFARE BENEFIT

Torrance was well represented by the Misses Marie Batsch, Jeanette and Virginia Mikelson and Frances McNeil, who appeared in several ballet choruses in "Petitot Lane," a musical comedy, presented by the Sandpipers Club of Hermosa Beach at Pier avenue school, Friday and Saturday, October 7 and 8. The play, composed an assemblage of the community's leading talent and proceeds of the presentation were devoted to welfare work. The Torrance dancers have appeared in many club events in the South Bay district during the past year.

DANCING PARTY IS SUCCESS

One of the most successful dancing parties of the season was that sponsored by the Veterans Relief Association at Mandarini ballroom, Redondo Beach, Saturday evening. More than 200 couples, members and friends of the organization from the surrounding communities, enjoyed a delightful evening. Funds derived from the sale of tickets were used to defray incidental expenses incurred by the organization. Miss Christie Cameron, as chairman, was assisted by Mrs. Beach, Mrs. Baker Smith and Gus Bray. A special feature of the party was the award of a "Telephon" mantle clock to Mr. and Mrs. Herbert Robinson of Acacia street.

Gifts and Music at Star Furniture Co. Opening Tonight

A fanfare of trumpets by the American Legion Drum and Bugle Corps will herald the opening tonight of the Star Furniture Company, 1273 Sartori avenue. The formal opening tonight between 8 and 9 o'clock will be in the nature of a reception, when local residents will have an opportunity to inspect the company's brilliant array of fine furniture and get acquainted with the Star Furniture Company staff. No goods will be sold at the reception tonight, according to J. G. Koch, proprietor of the firm, but attractive gifts will be presented to all visitors. Even the gentlemen and kiddies will not be overlooked in this whole-hearted get-acquainted reception, and everyone in this district is cordially invited to attend. The American Legion Drum and Bugle Corps will provide music.

On Friday, the Star Furniture Company will launch its Grand Opening Sale and an elaborate array of spectacular values are advertised in a full page advertisement in this issue. H. M. Abramson, Torrance manager, and his assistant, Frank Higgins, have been busy with other Star Furniture employes all this week preparing for the big event.

Convenient Credit
Star Furniture Company sells for cash or on convenient credit terms. The company finances all its own contracts, which enables it to offer patrons as liberal terms as any Los Angeles furniture store, Mr. Koch stated. It is also the policy of the company to mark every article carried in stock with plainly printed price tags, assuring the same prices to everyone.

Nationally Known Goods
"We carry nothing but strictly dependable goods, and while our prices are very moderate, we never sacrifice quality for the sake of price," Mr. Koch stated. Among the nationally known brands of household furnishings which will be featured in the Torrance branch are: Karpis and Kroehler overstuffed furniture, Simmons beds, springs and mattresses, Armstrong linoleums, Magic Chef and O'Keefe & Merritt stoves, Gulstan and Sloane rugs, Heywood-Wakefield breakfast sets and children's furniture, as well as many other equally well-known makes recognized as standards of quality in their particular lines.

HERE and THERE with the GIRL SCOUTS

By Rosanna Henley

TROOP 1
At last week's meeting it was decided to have a Scout library. The Scouts will be asked to furnish good books for the use of their fellow members. The American Girl Magazine, official Girl Scout paper, will be available. Jenn Traver will act as librarian. When on the gypsy picnic, the girls met a very interesting man, whose name was Mack. He said he had the reputation of being the only man to go around the world eight times, stopping and staying for awhile in every country, paying for everything with cash, not asking favors of anyone, and helping people on the way. He showed us a collection of stones, on each one of which he had carved a picture and on the back he had carved "Mack." He used fruit pits from every kind of fruit available. Among his trinkets were many strings of beads made from fruit pits.

TROOP 79
By Pauline Austin
The first Girl Scout meeting of the year was held Thursday, October 6, in the Torrance elementary auditorium, Captain Miller presiding. Election of officers for the year was as follows: Lucile Acre, president; Dorothy Henley, vice president; Pauline Austin, secretary; Grace Isbell, song leader.

Wet Pavements Are Cause of Accidents; Two Women Hurt

Wet pavements were the contributing causes of two accidents Saturday night in which two women were the victims, receiving more or less severe injuries, which were given first aid treatment at the Jared Sidney Torrance Memorial hospital.

Mrs. Irene Herron, a teacher at Beverly Hills, was bruised and suffered a fracture of the shoulder-blade, when she and a companion were thrown through the top of their car, which skidded off the pavement at Carson and Main street, and overturned. Mrs. Martha Jesselke, age 69, suffered a possible fracture of a bone in her right leg when her car skidded off Vermont avenue into the slough south of Gardena, about midnight Saturday. Mrs. Jesselke resides at 5520 1/2 Avalon boulevard, Los Angeles.

She left the hospital to go to the home of her daughter in Long Beach.

PROFITABLE 'COONS
PORTERVILLE, Calif. (U.P.)—Add to California's diversified products: black 'coons. "Bud" Creeks, trapper and hunter, recently imported a pair of black raccoons to raise for fur. They are unusual in their coloring and command a high price on fur markets, he explained.
