Australian Orator At M. E. Church

GIFFORD GORDON

On next Sunday evening the union church service will have as its speaker the eminent Australian orator, Mr. Gifford Gordon. Mr. Gordon is a man of unusual ability as a public speaker and the churches engaged in the union services are very happy to present him to the citizens of Torrance. His theme will be, "Hold Fast America." Especially fine musical numbers will be rendered by singers from the various churches and the general public is cordially invited to this service at the Methodist church next Sunday evening.

avenues. The special services will be held nightly at 7:30.

Evangelist Homer Kellems will conduct the musical programs and preach the sermons in the campaign. He will be assisted by his wife and daughter. Mrs. Kellems is a chalk artist of rare ability and will present one of her pictures to some one in the audience each evening. She is also a singer of considerable note and will sing duets with her husband. Their daughter, Virginia, will preside at the piano.

Rev. George Elder, pastor of the church, said: "Members and friends of the church will hail this announcement with delight for the party is to be remembered by their splendid services of last summer." All are cordially invited to attend the meetings throughout.

Don't Get Up Nights

Make This 25c Test
Physic the bladder easily. Drive out impurities and excessive acids which cause irritation that results in leg pains, backache, burning and getting up nights. BU-KETS, the bladder physic, containing buchu, juniper oil, etc. works on the bladder pleasantly and effectively, similar to castor oil on the bowels. Get a 25c box (5 grain size) from your druggist. After four days, if not relieved of getting up nights go back and get your money. You are bound to feel better after this cleansing and you get your regular sleep. Sold by Dolley Drug Co., Torrance.—Adv.

CHURCHES OF CHRIST SCIENTIST

"No man hath seen God at any time; the only begotten Son, which is in the bosom of the Father, he hath declared him." These words from John are the Golden Text in the Lesson-Sermon on "Christ Jesus" on Sunday in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

One of the Bible selections in the Lesson-Sermon includes the verses from John: "Thomas saith unto him, Lord, we know not whether thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." Another cites Paul's words, "For there is one God, and one mediator between God and men, the man Christ Jesus."

A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, says: "Wearing in part a human form (that is, as it seemed to mortal view), being conceived by a human mother, Jesus was the mediator between Spirit and the flesh, between truth and error. . . . From him mortals may learn how to escape from evil."
