THERE IS

A GREAT DIFFERENCE

There is a great difference in cod liver oils. You can't see it—but it's there!

There are few older household remedies than cod liver oil. And there is no more celebrated brand than Scott's Emulsion of Cod Liver Oil.

For sixty long years it has enjoyed the confidence of thousands of doctors and millions of users. And due to modern laboratory and manufacturing methods, it is better today than ever!

Say "Scott's Emulsion" when you go to buy cod liver oil. Nearly every druggist carries it—because he knows there is none finer. Bottle sizes—60c and \$1.20.

THE BEST COD LIVER OIL IS IN SCOTT'S EMULSION AND YOU CAN'T TASTE IT!

Special Children's Matinee, 3:30 Fri., At Redondo Theatre

On Friday afternoon Fox Redondo Theatre will hold a special matinee for children, starting at 3:30 o'clock, thus allowing the children to finish school and get to the theatre in time to see the curtain rise.

The program has been carefully selected and consists of the famous film record of Father Hubbard's exploration into the crater of the Alaskan volcano "Aniakchak," as well as Zane Grey's latest picture, "The Last Trail," starring George O'Brien.
