## Lomita Happenings

### SPECIAL MEETING HELD TO IRON OUT CWA DIFFICULTIES

Committee Investigates Situation in Lomita After Numerous Complaints Are Filed; Trouble Partially Due to Haste in Setting Up Work Jobs, Will Be Adjusted

At a special meeting of the Lomita-Harbor City Business Men's Association, held Tuesday night, the report of a special committee, appointed to investigate the C. W. A. situation here was heard and discussed and the committee asked to bring in a further report on January 11, at 8 p. m., in the K. P. hall.

The committee, appointed at a special meeting last week, has Charles M. Smith as chairman, F. P. Powers, Joe La Porte, Frank Buker, F. R. Boyle, William Myerscough and C. F. King, and was assisted by a committee of four from the Harbor City American Legion post.

The situation, as explained by the chairman and other members, was that the C. W. A., in rushing work orders had exceeded the quota of 60,000 allowed Los Angeles county by 8,000 and therefore until the quota had been reduced or additional quota allowed, which has been requested from Washington, no more work orders can be given out as there is no money to pay them.

Classified workers are not yet being called to any extent but will be soon and the trouble will all be ironed out within a short time, according to reports of the committee after a conference with the local foreman, W. B. Moss, Mr. Donnelly in charge of the district, Mr. Ferguson and Mr. Timms, local supervisor.

The general trend of the reports indicated that patience is needed to allow the program to be worked out as it was impossible to launch such a big work program on such short notice without some mistakes, and agitation and dissension over some men losing out on the first call might jeopardize all the jobs held here by local men.

Mr. Myerscough reported that about 69 Harbor City men were working now and Smith reported between 160 and 200 Lomita men.

Mr. Smith, R. H. Biegel, commander of Harbor City post; Mr. La Porte, Mr. Myerscough and Mr. Powers, spoke briefly. Mr. La Porte bringing out the fact that even who signed up, falsely, claiming to be skilled in certain lines would, if unable to do the work, not only lose that job but all C. W. A. work, and he urged them all to register carefully. Men who come on the job drunk or fail to appear for work, lose out and other men on the list will be called to fill their places.

Mr. Smith explained that the foreman, Mr. Moss, had understood he had authority to classify men and appoint bosses, but after the conference with Mr. Donnelly, it was understood that all classification would be made at the head office, and laborers could not be promoted from ditch work to higher positions by the foreman.

Considerable dissatisfaction was expressed over the number of San Pedro men in preferred positions, such as timekeepers, a situation which the committee felt sure would be remedied.

The meeting January 8 will be open to all interested, the regular meeting of the association being held at 7:30 so that the employment question can be taken up at 8 o'clock.

### TROOP 4

LEE BURNS, Reporter

The Christmas banquet given by the Mothers' Auxiliary last Thursday was attended by 36 Scouts.

It was by far the best annual party that Troop 4 has ever enjoyed. The Scout hall was decorated in holiday fashion and in the center of the long table was a beautiful Christmas tree with colored lights and presents for everybody. Scoutmaster Jones sat at the head of the table and later presented Lee Burns and Harry Bell with merit badges. He also gave three second class awards. Following the banquet, a campfire was held in the Scout yard.

Many Scouts assisted at the Christmas party sponsored by the firemen at Torrance city park, Friday evening.
