"By Candlelight," Coming to Avalon Starting Friday

The gay atmosphere of an outdoor carnival is much the same in any language. And it usually spells "Romance." This fact is demonstrated in "By Candlelight," Universal's sophisticated Continental comedy, which comes to the Avalon Theatre, Wilmington, Friday and Saturday, February 23 and 24, with Elissa Landi and Paul Lukas in starring roles, and a cast which also includes Nils Grant, Dorothy Revier, Lois January, Warburton Gamble and other screen favorites.

Several scenes in the picture take place in the grounds of a little carnival in Austria, which is the setting of a lively and lovable romance.

Starting next Tuesday, February 27, the Avalon Theatre will begin a three-day showing of Liberty's four-star hit, "Thunder Over Mexico."

Why Get Up Nights? USE BUCHU AND GIN - Make This 25c Test
It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. BUKETS guaranteed by Dolehy Drug Co., Torrance—Adv.

Photographs of Early California Days Are Wanted

Who, in Torrance, has an old photograph, showing early costumes, social life, transportation, buildings, public events or public men, in California during the years between 1850 and 1910? Pictures of the early days are wanted by the Great Atlantic and Pacific Tea Company for publication in a book in connection with the celebration of the 75th anniversary of the founding of that organization.

Illustrations of early transportation, food raising, communication, food processing and retailing will go into the book, which will be a pictorial history of the progress of the various communities in the state.

All pictures which are loaned will be returned in good condition, says M. V. Adquist, general advertising department of the A. & P. Company, after copies have been made. They should be sent to the Advertising Department of the Great Atlantic & Pacific Tea Company, Graybar Building, 420 Lexington Avenue, New York.

Big Double Bill

Tom Keene appears with a new "paint" horse in his latest outdoor western thriller for RKO-Radio Pictures, "The Cheyenne Kid," at the Lomita Theatre, Wednesday and Thursday, February 28 and March 1. "Olsen's Big Moment," featuring El Brendel, will be shown on the same dates.

VICTIM OF BOLD BANDITS ARRESTED

SAN FRANCISCO. (U.P.)—Elliot Ulrich is convinced the police arrested the wrong man. He was held up and robbed of \$15 and his overcoat. His loud cries for help brought the police, who promptly arrested him for violation of the state gun laws. They claimed he was carrying a pistol.

Spanish Prisoner Racket Bobs Up In Another Disguise

Merchants and individuals are warned of several "rackets" which have been showing considerable activity in the northern part of the state, and will probably spread to the Southland before long. A variation of the old "theatrical Spanish prisoner" is one, the racketeer now representing himself as a bankrupt who needs a sum of money to establish his claim to a fabulous estate. Tickets are being sold on a "sweepstakes" which is non-existent. A truck association is soliciting members among truck owners who are threatened with penalties if they fail to join. Individuals who fall for these games bid their money a fond adieu.
