

OLD PALS REUNITED

Jimmy Cagney is cast again with Mae Clarke, the girl he brought to fame by squashing a grapefruit in her face. "Lady Killer" is their latest vehicle, shown at the Lomita Theatre Friday and Saturday, March 2 and 3.

Sizzling Tilt Won By Vestal Navy Nine Sun.

Heavy Hitting a Feature of Sunday Afternoon Pastime

Although the Torrance Merchants outlugged the Vestal navy team in a sizzling battle on the local diamond Sunday afternoon, they went down in the tenth inning to their second defeat in two weeks. The final count was 10-9, with a sacrifice by Joe Welch, left fielder for the Vestals, putting over the winning run.

So close was the combat all the way that the teams were immediately rematched after the game for another conflict next Sunday afternoon.

Joe Storti started on the mound for Torrance. Joe lasted three rounds. The Vestals laid down seven hits and eight runs, but were held scoreless until the ninth by Manuel Vegher, third baseman, who took over the hurling job when Joe was chased from the mound.

Torrance battled gamely against the long odds and evened the count in the ninth.

It was anybody's game after the sixth when Torrance had garnered seven runs to the Vestals' eight.

In spite of the gloomy afternoon a big crowd watched the proceedings and a record attendance is expected next Sunday to see the return game.

Midweek Matinee At Lomita Theatre Starting Thursday

Manager J. D. Baker of the Lomita Theatre announces another innovation at this popular show-house, starting next week. For the benefit of those who work nights, and for others who want to spend a pleasant afternoon, he is inaugurating a mid-weekly matinee, Thursday afternoon, which will be a regular feature of the week's program beginning next week.

Popular prices prevail at the Lomita all the time. On Wednesday and Thursday a special price of 10 cents to all is offered. Only top-notch pictures are shown, and the program is varied with comedies, news reels, serials and high class feature films.

The best is none too good for the patrons of the Lomita Theatre, says Mr. Baker, who has put his slogan into active operation ever since he took over the house several months ago.

SPINACH MEANS JOBS

SACRAMENTO. (U.P.)—While the ordinary small boy may view with suspicion the forthcoming spinach harvest, it's going to mean jobs for some 2400 persons here. Payrolls from cannery operations are expected to add some \$200,000 to this city's trade channels monthly.
