

Red Cross Still Keeps Promises To War Veterans

Observance of Armistice Marks Opening of Membership Drive

"Red Cross membership dollars are still keeping the promises made to American men who went to war in 1917," says Mrs. Flora Waters, chairman of the Torrance Red Cross branch.

Observance of Armistice Day marks the opening of the annual campaign for members. Chairman Waters says that those who join the Red Cross are still ministering to the wounds of those for whom the war has not yet ended.

The Red Cross helps the veteran and his family solve their problems. The organization also gives needed services to all those who still wear the uniform of the United States in the army, navy, marine corps and coast guard.

R. E. Arne, director of Red Cross war service in the Pacific area, advises the local Red Cross branch that home service activities demand greater attention than before.

"In a 12 months period the home service workers in 736 chapters dealt with the problems of 329,728 ex-service men or their families in hospitals and medical offices of the Veterans Administration and in other government hospitals.

Sample Ballots To Be Mailed Out to Voters This Week

Local residents will receive their sample ballots for the November 6 election this week, according to Registrar of Voters W. M. Kerr.

The last sack full of sample ballots was loaded into a U. S. mail truck at the registrar's headquarters Saturday night.

With the completion of this task, the staff of special clerks in Kerr's office will be turned to another arduous task, that of checking the names of residents of apartment houses, hotels and rooming houses against his records to ascertain registration.

The last blank directing hotel and rooming house proprietors to forward to the registrar a list of their tenants was expected to be dispatched from the registrar's office Sunday night.

Extra clerks were assigned to the work during the greater part of the previous week.

Delivery of sample ballots is not required of the post office department until five days before the election, according to Kerr, which will allow postmen to deliver a number of them each day during the week.

Voting of absentee ballots is in progress in the registrar's office, a total of 360 having been sent out in response to requests up until noon Saturday, and another 150 having been voted in Kerr's office up till that time, he reported.

Mild Winter Forecast
RAWSON, N. D. (U.P.)—Contrary to the widespread belief among old-time trappers and farmers that an early snow assures a severe and stormy winter, J. A. LaLonde today predicted a mild winter.

Scotugenarian On Walking
CLEVELAND (U.P.)—William J. Arndt, 77, 53 years a wife weaver, who retired in 1927, on his birthday advised the younger generation to walk more if it would "reach a ripe old age."

How Highways Have Changed!

Here's an example of how state has improved its road-building technique, says the Automobile Club of Southern California. Photos show new Grapevine Grade route recently opened, with curves of 1000 feet minimum radius, as compared to sharp, dangerous curves of old highway.

HINTS FOR MOTORISTS

(The Herald today presents another group of an instructive series of questions and answers related to various phases of motor vehicle ownership and operation in California. Authority for the answers is Ivan Kelso, general counsel, Automobile Club of Southern California.)

Q.—I accidentally struck a parked car the other day and wrote my name and address on a card, leaving it on the steering wheel, which I understood was required by law. Is that all that was required of me?

A.—There is a further duty placed upon the driver of an automobile involved in such a collision. It is necessary within 24 hours to send a written notice to the police department of the city in which the accident occurred, or if outside the city, to the sheriff of that county, giving the name and address of the owner and driver of the vehicle doing the striking and a statement of the circumstances thereof.

Q.—I am not using the garage on my premises and have rented it to a neighbor, who keeps his car there. I have heard it is necessary for me to make some kind of a report. Please advise.

A.—Section 56 of the California Vehicle Act requires that the owner of any private garage rented to another for the particular purpose of storing an automobile shall, within 24 hours, report that fact to the police department if within a city, otherwise to the sheriff of the county. The report must include the name of the person renting the garage, the kind of car and its motor and license numbers.

Q.—Is it permissible to allow a car to coast downhill?

A.—No. The driver of a motor vehicle when traveling upon a down grade upon any highway shall not coast with the gears of such vehicle in neutral. (Section 1394 of the California Vehicle Act.)

Q.—I am not using the garage on my premises and have rented it to a neighbor, who keeps his car there. I have heard it is necessary for me to make some kind of a report. Please advise.

Keeping Up With Torrance High

By RUTH GRANGER

Conec Donahue and the football team are indebted to Mayor Ludlow and the city council for the bus which is being used for the transportation of the team. It is much appreciated.

Extensive plans are being made for the Torrance-Narbonne football game. Alumni home-coming will be featured on the same day, November 2. Plans are being made to install a loud speaker system for the game and special bleachers with a capacity for 500 people will be put up for the Narbonne footers.

A new diversion in the form of a photograph has been introduced in the typing classes of Miss Jones. A few minutes each morning have been set aside for the students to type in unison with the typewriter. This tends to improve the carriage throw.

The World Friendship Club is now preparing a Christmas box which will be sent to the boys and girls in Samoa. The purchasing committee has bought many nice gifts, including dolls, beads, toy trucks, crayolas harmonicas soap, etc. The project is carried on through the auspices of the Junior Red Cross, an organization to which the World Friendship Club belongs.

Of the graduates of the class of '34 we find Joy Fossum attending Whittier College; Herman Hamman going to Santa Clara; Dorothy McMillan at U.C.L.A.; Alice Burger attending U.S.C.; Ruth Banks planning to go to Saint Mary's; Helen Smith is at Sacred Heart School for Girls; Tommy Rogers is attending the University of Virginia; Esther Terry at Long Beach Junior College; Joe Disario and Vernon Coll at Frank Wiggin's Trade School. The following are at Compton J. C.: Iac Smith, Francis Mowry, Bill Burkert, Millicent Lincoln and Dorothy Jensen. Pearl Gilbert, Jimmie Miller, Cleo and Verna Mae Long and Dorothy Gramling are p.g.ing at Torrance High.

A new program has been organized over radio station KRKD to announce prep school football scores. The announcer attends the game to which he gets the most written invitations, and over the air he tells the outstanding plays of the game. Many of the students are writing him letters inviting him to the Torrance-Narbonne game scheduled for November 2. This program is broadcast at 6:30 p. m. and is known as the "Prep School Scores and Gossip Program."

Widow Files Suit For Damages In Death of Husband

For the death of their father and her husband, Esther Parrish and her two sons, Hugh, 17, and Jack, 14, have a suit on file today in Los Angeles superior court asking \$50,342 in damages from W. L. Borough and the General Petroleum Corporation of California.

The complaint states that Hugh D. Parrish, age 40, a Long Beach auto salesman, was killed last August 30 at Figueroa and 190th streets when a car in which he was a passenger was involved in a collision with a coupe being driven by Borough, an employe of the petroleum corporation. The complaint asserts that the accident, before his death was supporting his family and was capable of earning \$150 a month. Of the amount asked \$342 is for funeral expenses.

The monthly Torch staff is being chosen by Mr. Andrews, the printshop teacher. Thus far the following have been selected: Editor, Mildred McMullen; assistant editor, Birdie Hale; circulation manager, Myrtle Gregg. Positions on the staff are open to all students who Mr. Andrews thinks are capable of holding positions.

The Madrigal Society is planning a very unique but interesting Christmas program. It will be carried out with Negro spirituals and a church will be used as a setting. In previous years the Madrigals have always given fine programs and this is something for the students to look forward to.
