## U. S. C. Stops Grayson, But Not For Long

It took the combined efforts of three Trojans to bring Bobby Grayson, Stanford's fullback, down after he had crashed through the U. S. C. line for a nine-yard gain. Stanford, led by Bobby, smothered the Trojans, 16 to 0. In this picture, Besoco, No. 27; Cameron, No. 20, and Warburton, No. 13, all had a hand in stopping the plunging fullback.

## Leuzinger Ties Gauchos After Whipsaw Battle

Pass and Conversion in Last Quarter Ruins Narbonne Hopes

A pass from Readie to McNabb in the final quarter, which was followed by Hayward's conversion, gave the Leuzinger outfit a draw with Narbonne last Friday afternoon, after the Gauchos had pulled ahead in the last half of the game.

The battle was a whipsaw affair with Leuzinger scoring a touchdown near the close of the second quarter.

The Gauchos matched them in the third and added a point, making the score 7 to 6. Another touchdown in the fourth gave the Gauchos a good lead which was snatched away from them in the closing moments of the game.

Knowlton and McNabb scored for Leuzinger, Gould and Rider for the Gauchos.

## MERCHANTS MEET MAY CO. IN LAST GAME AT TRONA SUNDAY

Tommy Bowker's Men Defeat All-Star Outfit Last Sunday, 2-0, Joe Storti Pitching; Closing Very Successful Season

Tommy Bowker's San Pedro Merchants and an all-star team battled through one of the best games of the season at Trona field last Sunday afternoon with the Merchants coming through on the long end of the score as usual. Under the mastery pitching of Joe Storti, the All-Stars were held to seven scattered hits and no runs. Not until the sixth inning did either team register a run.

In that frame "Butch" Vegher singled after one man was out, went to second on Conroy's sacrifice and scored on Lin Storti's double to right field. In the fifth a hot throw to the plate cut off a run when Ralph Mann tried to skate around from first on Joe Storti's double.

The Merchants tallied their second and last score in the eighth on a Texas leaguer, a couple of outs and Lin Storti's third hit of the day.

The All-Stars looked dangerous in their half of the eighth when Storti yielded two hits after one was out, but the danger passed when Medak struck out after fouling half a dozen pitches and Zar filled out.

The Merchants will meet the May Company line, of Los Angeles, next Sunday in what will be the final game of the season at Trona field, as the diamond will after that be returned to the navy team when the fleet anchors off shore.

### HUNTER DIDN'T SHOOT BUT GOT HIS GAME

PUEBLO, Colo. (U.P.)—Charles Oles went duck hunting and got a fine mallard without firing a shot.

While en route with a companion to a nearby lake in the early hours, Oles saw the duck sitting in the road ahead of his car, blinded by the lights. He stopped, and with the lights still in the duck's eyes, stole up on it from behind.

Disario, Marine League champion last year, Joe chases old man par all over every Los Angeles and local course. Disario shoots in the low seventies consistently. This boy should travel far, far up the ladder of success in the golf world. At the present time he is enrolled in the printing class at Frank Wiggins Trade School, Los Angeles. U. S. C. is missing a big chance by letting this boy get away from them.

### Free Haircuts to Tartars

Thanks to the Torrey Beauty and Barber Shop, 1822 Cabrillo avenue, every boy on the Torrance high school football team who plays in the game against Narbonne tomorrow will receive a free haircut at this shop. Providing, say the barbers there, that Torrance wins the game. In view of the fact that the Tartars are looked upon as sure winners in this tilt, Fred Montgomerie and Don Santore are getting their shears sharpened and will be ready for the party as soon as the boys call. Line forms to the right, Tartars, get yourselves prettied up after the game.

### Plenty of Seats Available For Friday's Game

Extra Bleachers Moved In to Accommodate Throng of Spectators

Bleachers to accommodate 350 spectators have been moved on to the football field at the Torrance high school to accommodate the throng that is expected to attend the big game between the Torrance Tartars and the Narbonne Gauchos, Friday afternoon.

The game will be called promptly at 2:30 p. m. and those who attend should make plans to arrive early to secure a good seat. Bleachers on the north side of the field will be occupied by the Lomita rooters with the Torrance fans on the south side.

A broadcasting system has been provided, and it may be that London P. Corbett, of KRKD, who broadcasts stories of prep football at 6:30 o'clock each Friday night, will make the play by play announcements. Mr. Corbett received an overwhelming invitation from the student body to attend this game and has accepted. Unless some unforeseen event occurs to prevent he will be on hand to watch the game and the story of this contest will be broadcast over KRKD later in the evening.

This is the one big game of the year and interest in both communities is at fever heat. The Torrance squad goes into the game the favorite to win. The Lomita team, with the memory of eight years of victories over the Tartars to spur it on, will put up a great battle, and may pull one of the astounding upsets of the season. Torrance needs this game to give it a clean slate for the championship. Lomita will try to keep their unbroken string of wins over Torrance intact.

Fans who expect to catch the game from outside the field will be disappointed as all vantage points will be curtailed off with canvas. There will be plenty of good seats inside the grounds and the price of admission is small, so that there is no reason to stay away.

### Marine League Games Tomorrow

Narbonne at TORRANCE. Leuzinger at Gardena. El Segundo bye. Games start at 2:30 p. m.
