

FIRESTONE PLANS FOR SAN DIEGO EXPOSITION ANNOUNCED

H. S. Firestone to Bring Marvel From Chicago

Visiting the Pacific Coast recently, Harvey S. Firestone, head of the international rubber concern which bears his name, laid plans for Firestone exhibit at the San Diego Fair. Mr. Firestone was accompanied by two of his sons, Leonard and Raymond, both of whom are active in the management of the Pacific Coast and other Firestone factories.

In statements to newspaper men, Mr. Firestone described the exhibit as an interesting display of rubber products in various stages of manufacture and a showing of many demonstration units from the Firestone World's Fair Exhibit. The "Singing Color Fountain" used in the Firestone exhibition at the Chicago Century of Progress will be enlarged and moved to San Diego for the Fair. Over 15,000,000 visitors marvelled at the magnificent mystery of this colorful World's Fair display in 1934 and 1935.

Announcement of Firestone's participation in the San Diego Fair was made by H. S. Firestone on his recent visit to Pacific Coast cities. The Firestone Company will be the only rubber manufacturer among the many exhibitors in the San Diego Fair.

Harvey S. Firestone pictured with his two sons, Leonard and Raymond Firestone, inspecting blueprints of the plans for the Firestone Tire & Rubber Company exhibit at the California International exhibition at San Diego next month.

First Boy Scout Jamboree Held In Torrance Is Great Success

Torrance first Boy Scout jamboree, held at the municipal park last Saturday, was a splendid success in every particular, according to the committee in charge which has been working for several weeks on arrangements for this big district gathering. The jamboree began to take on a lively aspect Friday night when 111 Scouts moved in to camp for the night in quarters reserved at the park. The events of the day began promptly at 9:30 a. m. Saturday and moved along like clockwork until the troops were dismissed at 5 in the afternoon.

Representatives from 21 out of the 32 troops in the district were registered and took part in the tests.

Division championship was won by Troop 222 of Wilmington, with San Pedro Troop 203 second, and Torrance Troop 219 and San Pedro Troop 202 tied for third.

Winners in the various departments were Torrance Troop 219 roll call, having the largest number of members present; inspection, San Pedro Troop 203; signaling, Wilmington Troop 221; string burning, Gardena Troop 253; friction fire, Gardena Troop 251; first and steel first, Wilmington Troop 222; tent pitching, San Pedro Troop 202; stretcher race, Wilmington Troop 221; egg tossing contest, Gardena Troop 251; flag race, San Pedro Troop 203. The San Pedro Scout beat out Gerald Grubb of the Torrance Troop 219 by inches.

Marksmanship honors, which contest was held at the police range, went to Clair Brown, Roy Beck, Jack Tweedy, Billy McKay and Verne Howell, the Wilmington Troop 220 team. Their score made with 22 rifles was 303 out of a possible 500.

Wilmington Troop 224 carried off the prize in archery. Scores in this event were made by John Alexander, 483; Harry Alexander, 421; and Jack Carroll, 151. Phillip Jensen, of Torrance Troop 218, took third place with a score of 270.

John Alexander, 13 years old, is the Southern California senior champion in the division for boys under 16 years of age. He will compete in the state finals at an early date.

During the program Mayor Scott R. Ludlow, Councilman W. H. Tolson and others made brief addresses welcoming the boys to Torrance. The committee in charge, had the full co-operation of the city in making the event a huge success, and express their gratitude to the city officials for the interest they took in this affair, which is the first time Torrance has entertained the Scouts of the district.

Chevrolet Dealer Engages Two New Service Experts

Ed. Thompson, Chevrolet dealer, 1600 Cabrillo avenue, announces that L. J. Pierce and W. McKenzie have been engaged by his organization and will have charge of repair and service work. Mr. Pierce, formerly of Long Beach, has been identified with Chevrolet service for the past ten years and Mr. McKenzie has been associated with Chevrolet for the past 14 years. Their long experience in automotive work enables them to offer expert services in repairing or servicing all makes of automobiles.

Mr. Thompson in announcing the new members of his organization has also adopted a budget plan for financing repair work and parts, which will enable patrons to have work done on their cars and pay for the same under the most liberal terms. In addition to general repair work, washing, lubricating and the sale of gasoline and oils are included in the added facilities. A wrecking car service is also provided.

FAMOUS EVENTS IN HISTORY

Benjamin Franklin died, May 17, 1790. U. S. Navy plane NC-4 reached the Azores, May 17, 1919.

Mr. and Mrs. Reinstra, 10719 1/2 South Normandie, Gardena, a boy, May 8.

Each of the little red flowers has been made by hand by some disabled veteran in need of employment. For each poppy the auxiliary has paid its maker three cents, enabling hundreds of veterans to support themselves and families through the winter and spring. Approximately ten million of the poppies have been made this year, placing earnings in the empty pockets of these disabled veterans.

"In addition to the earnings of the veterans making the poppies, the poppy funds bring aid to thousands of needy families of veterans throughout the year."

Blue Herons Back Home

SANDUSKY, Ohio. (U.P.)—After a winter in the South hundreds of blue heron have returned to a sanctuary at Lindsay, near here. The birds remain at the herony all summer and make daily flights to Lake Erie, or Sandusky Bay, 10 miles distant. The Lindsay herony is one of the largest in the United States.

Poppies On Hand For Auxiliary Annual Sale

Citizens Asked to Remember Veterans On Poppy Day, May 25

Preparations for Poppy Day, to be observed here and throughout the nation Saturday, May 25, went forward rapidly today with the arrival of the memorial poppies at American Legion Auxiliary headquarters. The little red flowers, 1,000 of them, came from Sawtelle where they were made by disabled World War veterans, comrades of the men in whose honor they will be worn.

The poppies are being counted and arranged in readiness for distribution to the Poppy Day workers who will offer them on the tribute to the World War dead. All work in connection with the observance is being carried out by volunteers so that every penny received as Poppy Day contributions can go into the welfare funds of the Legion and auxiliary.

"The poppies are paper replicas of the wild European poppies which bloomed along the battle front and in the war cemeteries during the World war," Mrs. Fern Patterson explained. "It was this flower, growing between rows of wooden crosses above fresh battle graves, which inspired Col. John McCrea to write his famous poem, 'In Flanders Fields.' The flower is now recognized throughout the English-speaking world as the symbol of World War sacrifice."

"Each of the little red flowers has been made by hand by some disabled veteran in need of employment. For each poppy the auxiliary has paid its maker three cents, enabling hundreds of veterans to support themselves and families through the winter and spring. Approximately ten million of the poppies have been made this year, placing earnings in the empty pockets of these disabled veterans."

"In addition to the earnings of the veterans making the poppies, the poppy funds bring aid to thousands of needy families of veterans throughout the year."

Japanese Honor Great Americans

For the first time in American history Occidentals have been honored by ancient Japanese rites. With three Nipponese priests intoning the ritual, pictures of George Washington and Abraham Lincoln were enshrined at a 2500-year-old festival. The pictures were set in Shinto temples at Yamato Hall, in the "Little Tokio" section of Los Angeles.

State Highway Open to Traffic

Portions of the State street-Sepulveda boulevard-Roosevelt highway through the south part of Torrance are open to traffic, but the project has not yet been officially accepted by the state, according to the state engineer's office in Los Angeles.

Improvement of the artery from the Redondo Beach city limits easterly to Wilmington boulevard is being carried on under two contracts. The one between Redondo and Lomita is held by the United Concrete Pipe Company, Torrance, and the one between Lomita and Wilmington boulevard is held by Basch Brothers, another Torrance contracting firm.

Former Member of Business Club Dies

Mrs. Maude Bernice Williams, age 42, superintendent of the Gorman street school in Watts, passed away at her home in Lomita last Thursday, after a long period of ill health. Mrs. Williams was formerly a member of the National Business and Professional Women's club of Torrance, resigning when her health gave way. She was born in Inglewood, and during her 18 years association with the city schools made a host of friends who mourn the passing of a brilliant woman. Funeral services were held on Monday, from the Barker Mortuary in Wilmington. She is survived by her husband, Ernest Williams; a daughter, Bernice, and a son, Lynn Williams, all of Lomita.

Safeway Stores - Leading Grocers in the West!

here are the Reasons

Values for Thursday, Friday, Saturday, May 16, 17 & 18. Los Angeles City, Northern, Southern & Western Suburbs.

Fair Dealing
Fundamental in the creed of the Safeway man is the right of the customer to fair dealing at all times. Misleading statements or unsatisfactory transactions have no place in Safeway merchandising.

Quality Merchandise
The buyers of merchandise for Safeway Stores know quality. Whether it be groceries, meats, produce or dairy products, the Safeway buyer considers quality first, and has no chances at a Safeway Store.

Low Prices
The tremendous quantities of food that are bought and the efficient methods that are used by Safeway make possible the low prices that are quoted. Every day of the week you can buy food at a saving at Safeway Stores.

Efficient Personnel
Safeway men are trained to serve you. Each man goes through a period of apprenticeship in which he is taught Safeway policies and methods. The fact that Safeway men are happy in their work is radiated by their enthusiasm.

Money-Back Guarantee
Back of every Safeway transaction stands the Safeway money-back guarantee. Unless you are convinced that every item you buy is satisfactory, your money is cheerfully refunded. Another reason for Safeway's leadership.

Dairy Products
Always low prices on creamery items at Safeway.
