CHRISTIAN SCIENCE CHURCHES
"Love" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The Golden Text is from I John: "He that loveth not knoweth not God; for God is love."
The Lesson-Sermon includes these Bible passages from Ezekiel: "Thus saith the Lord God; Behold, I will take the children of Israel from among the heathen, whither they be gone, and will gather them on every side, and bring them into their own land; and I will make them one nation in the land upon the mountains of Israel; and one king shall be king to them all; and they shall be no more two nations, neither shall they be divided into two kingdoms any more at all. My tabernacle also shall be with them; yes, I will be their God, and they shall be my people."
Among the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, are the words: "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or good, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science."

Torrance Voters Are 2nd Largest District Group

The 12 precincts of Torrance roll up more votes than any other part of the 68th assembly district except San Pedro, and the Torrance registration shows that the Roosevelt Democrats far outnumber all other party registrations. For this reason the Roosevelt-Rawls campaign committee, headed in Torrance by A. H. Bartlett, Judge Robert F. Lessing, Dr. Geo. P. Shidder and others are bending their energies to getting out the largest Democratic vote ever recorded in a primary election in Torrance.

Supplementing the efforts of the committee are the Torrance women who have joined in the organization of the Democratic Women's Study Club of the 68th assembly district, the first meeting of which was held July 30.
Strong support came to the Rawls committee during the past week, when S. P. Stambuk, long a leader of the Slav colony in the harbor district, declared for Rawls for assembly and sent an interview to "Demovina," the Slav language newspaper, in which all members of the Slav colony are urged to support Rawls at the August primaries.
Another powerful endorsement came from the physicians and surgeons who have worked so long and so hard for what they term "organized medicine." The doctors are joining in Rawls' support because of the votes Rawls gave "organized medicine" during his term as assemblyman.
Torrance laboring men recall the endorsement of Rawls by the State Labor Council after his record-making votes on labor bills during his incumbency. They argue that performance is better than promise and are supporting Rawls for that reason.

Plunge Engineer Is Wounded

Jeremiah Dempsey, 215 Garnet, Redondo Beach, was brought to the Jared Sidney Torrance Memorial hospital Monday night, suffering from a bullet wound, said to have been self-inflicted. Dempsey has been for years employed as engineer at the Redondo plunge. His alleged attempt at self-destruction is said to have followed an altercation with his wife.
The bullet struck a rib, shattering the bone and failed to enter the chest, so that the wound while painful is not believed to be serious unless complications develop. Dempsey was later removed to the California Lutheran hospital in Los Angeles for further treatment.

METHODIST EPISCOPAL CHURCH

El Prado and Manuel avenue. B. C. Brewster, pastor.
Sunday school, 9:45 a. m. With a well-organized faculty and classes for all ages, the Sunday school is equipped to do a worthy work in religious training.
Morning service, 11 o'clock.
The Sacrament of the Holy Communion will be administered.
Evening service, 7:30 o'clock.
Sermon, "Stories in Spiritual Regeneration." This message was gleaned from the lives of those who were facing defeat, and with the surrender of their lives to God emerged victorious.
Epworth League at 6:30 p. m. Other young people are invited to participate in the splendid fellowship of the evening hour, known as "The Epworth League Hour."
Midweek service, Wednesday evening at 7:30 o'clock.
A warm welcome awaits everyone in all of these helpful Christian services.

Mystery Ship Is Anchored Off Hermosa Shore

Magdalena Bay, luxury fishing liner under the management of Ralph Bandini, author and sportsman, was opened to the public last Saturday. The ship is anchored two miles off the pier at Hermosa Beach.
Every comfort and convenience is offered to fishermen. Each has a reserved seat with full tackle and bait facilities at hand, and whenever he hooks a fish a uniformed attendant removes it and packs it away in the \$10,000 refrigeration plant where it remains until the fisherman is ready to go ashore.
Other features include a lounge, cafe, solarium, sand pile playground for children, cocktail lounge and stateroom accommodations for those who want to spend a night or a week on board.
The Magdalena Bay has had a colorful history.
During the World War she was a mystery ship, disguised as a slow freighter, to lure submarines within striking distance when her falsework dropped away disclosing a row of guns ready for action. After the war she plied between the Pacific Coast and Mexico under the name "Chiapas" and still later was known as the pleasure ship La Playa, La Playa Ensenada, and Star of Hollywood. Now she lies at anchor off the west coast shore to be used as a fishing boat. How are the mighty fallen.
