Special Floor Show

Games, Prizes and Fortunes Read, October 24

The American Legion Auxiliary to Bert S. Crossland Post 170 announce their annual carnival ball, which will be held in the new civic auditorium, Saturday, Oct. 24.

In years past this affair has been held in the Legion hall and the limited floor space permitted only a given number to attend, confining the group mostly to members and friends. This year, however, the committee, headed by Mrs. L. G. Barkdull, extends a cordial invitation to the public.

Floor Show
Miss Frances Norton, a former Folies girl now appearing in the motion picture "Ramona," will be the featured dance artist. Those who attended the last carnival will remember Miss Norton as she danced the Rumba.

Radio fans will want to see and hear the blind singer from the KJH studios, who will also appear on the program.

A professional fortune teller will be there and for those who do not care to dance there will be plenty of games.

Best of all Fred Graffe and his Inglewood Rhythm Boys will

be on hand to furnish music for dancing. So well was this orchestra received in past years that the committee have again selected them. The dance music has been carefully selected by the committee which group consists of the chairman, Mrs. Barkdull, and Mmes. Addie Modglin, Lucille Lewellen, Olive Lee, Bess Myers, Fan Wilkes, Luise Buffington, Alice Thompson, with all officers and chairmen of the unit.

News of Women Of the Moose

The highest honor of Women of the Moose was bestowed upon Mrs. Eva G. Starkey, of Lynn, Mass., by her appointment to the office of grand regent of the College of Regents at the International Conference of the Moose, which was held in Chicago during the first week of July. Mrs. Starkey assumed her duties Sept. 1, and will represent more than 900 chapters of the Women of the Moose in the United States, Hawaii and Alaska during her term as grand regent.

Starkey Initiations
Immediately following Mrs. Starkey's installation as grand regent, chapters began formulating plans to hold Eva Starkey class initiations. This is one of the means by which chapters throughout the fraternity honor their grand regent and exhibit their loyalty and co-operation in the humanitarian cause for which they are organized and operate. It is with confidence they approach prospective members because the value of what they have to offer is daily demonstrated in developed leaders within their ranks, in better homes and better communities.

Torrance Women of the Moose meet in the hall, 1951 Carson street, Friday evening, with Loyal Order of Moose for a 6 o'clock dinner. It will be a potluck affair and all members are urged to attend. A party will follow the meeting.
