500 NEW HOMES

in Torrance

TO MEET THE NEEDS OF
INDUSTRIAL EXPANSION

HERE, in Torrance, California, builders and investors will find at this moment the most outstanding opportunity in all Southern California. Industrial growth in this key manufacturing city has created an immediate need of at least five hundred additional permanent homes for industrial workers and executives.

Eleven major industries employing over 3200 men, together with tributary commercial enterprises, already contribute payrolls of over \$6,000,000 annually to Torrance's ever-growing prosperity.

Torrance is waiting for you. Building sites are astoundingly low. Tax rates are favorable. Immediate action is necessary.
