CHURCHES OF CHRIST, SCIENTIST

Isaiah's words, "Ye are my witnesses, saith the Lord, and my servant whom I have chosen," are the Golden Text in the Lesson-Sermon on "Man" on Sunday in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The Lesson-Sermon includes these Scriptural verses from Genesis: "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him: male and female created he them."

Among the correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, are these words: "Man, made in His likeness, possesses and reflects God's dominion over all the earth. Man and woman as co-existent and eternal with God forever reflect, in glorified unity, the Infinite Father-Mother God."

Torrance Theatre Has New Owners

(Continued from Page 1-A) greatly enjoyed serving the people of this city and surrounding territory."

Experienced Showmen

Mellinkoff and Milstein became owners of the theatre as of Sunday, Feb. 28. They announced an extensive program of renovation and improvements yesterday, the work to start shortly. This will include new furnishings, an improved ventilating system and considerable painting and decorating.

Mellinkoff has long been recognized as a builder of theatres in the Southland and at present is the owner of the Mayfair theatre in Los Angeles. Milstein's appearance belies his 29 years' experience in the theatre world but he is regarded as an astute showman.

International travelers declare the west coast of Mexico to be one of the most interesting sections of the world, many villages being practically unchanged from what they were centuries ago. Visiting such places is like going into another world in ancient times.

American automobile owners often are told that the roads in the west coast of Mexico are impassable. Complete denial of this assertion is made by Spotts' Mexico Tours, a Los Angeles organization that operates on its knowledge of Mexican highways. This company proves its point by having made three trips down the west coast via Nogales, Guaymas, Mazatlan, Guadalajara and Guasajuato into Mexico City. It is starting its fourth trip over the same route on Saturday, February 27.

The forthcoming tour will include a number of American motorists, driving their own cars, to be accompanied by experienced guides and interpreters. Others will travel in company-owned limousines and jeeps. The party is open to any congenial person interested in conditions much as they were when Columbus first arrived in America.

Mr. Crisafulli was survived by a number of brothers and sisters, residents in the Southland and back east. Requiem high mass was sung in his honor Tuesday at St. Peter and Paul's Catholic church in Wilmington, the rites being preceded by the Rosary at A. M. Gamby's mortuary Monday night. The body will be sent to Italy for interment later.

Mr. Goshorn was a member of the first class to graduate from the University of Iowa and a former Montana newspaper publisher passed away Monday at his home, 26223 Oak street at the age of 81 years. The funeral service was held Tuesday at A. M. Gamby's mortuary in that community with Rev. John E. Orr officiating. Cremation followed at Pacific Crest, Redondo Beach.

Mr. Goshorn was born at Morning Sun, Iowa, in 1855. Following his university graduation entered law and practiced for a few years. Then he became clerk of the court at Santa Fe, New Mexico, then a typical southwest cattle town. He went to Montana to become registrar and receiver in the land office at Kallispell. Mr. Goshorn purchased a weekly newspaper there that became The Daily Interlake under his direction as editor and publisher. He was a member of the Knight Templars of the Masonic lodge.

About six years ago he sold out his interest and came to California, locating at Lomita. He was survived by a daughter, Mrs. Mildred Vaughn of that community and four grandchildren, Robert Vaughn of Catalina, Mary Alice, Joe and Eleanor Vaughn of Lomita.

MRS. HILDUR E. MATSON... a resident at the corner of Hawthorne boulevard and 174th street for the past 30 years, passed away Monday at Jared Sidney Torrance Memorial hospital following a short illness. She was 71 years of age. The funeral service was held this afternoon at the chapel in Pacific Crest cemetery with Rev. E. Casebeer of the First Christian church of Lawndale officiating. Stone and Myers' Mortuary was in charge of the arrangements.

Mrs. Matson was survived by her husband, Frank A. Matson; a son, Ray E. Matson; and a daughter, Mrs. Nielsen, both of Redondo Beach.

Hospital Has 5 New Patients

Five new patients were received at Jared Sidney Torrance Memorial hospital during the past week. They included two boys, entered for surgical attention.

Richard, 13-year-old son of Mr. and Mrs. E. M. Davis, Wilmington, was received Monday for a mastoid operation, and John Eisenhart, 12-year-old son of Mrs. Genevieve McGinnis, 25224 Cypress street, Lomita, entered yesterday.

Other new patients were: Mrs. Florence Northrup, Wilmington, received Tuesday for surgical attention. Joe Ryan, 4345 Arroyo avenue, 72-year-old father of Emmett Ryan of this city, was bedded Tuesday for medical care. Pete Yolo, Gardena, entered Wednesday for medical attention.
