view turned to business conditions. Fairless said that the steel industry is now operating at 80 percent of capacity and the newest Corporation subsidiary—Boyle—Manufacturing Company, which is in charge of E. M. Barber, former Columbia Steel superintendent here. En route to Los Angeles, the U. S. Steel group stopped off at Columbia Steel's plant at

operations," President Fairless remarked at his press conference.

SCHOOL clothes for the little girl, chosen for wearability, simplicity, cut and fabric should include the checked gingham princess frock on the left. Its pockets, collar and cuffs are edged with rickrack. The pleated spun-rayon on the right has a demure collar and puffed sleeves. Good Housekeeping for September features these among back-to-school favorites.

**High School P.T.A. Resumes Work With Board Meeting**

Activity of the High School P.T.A., interrupted by the summer vacation months, will be resumed next month with a meeting of the board on Thursday, Sept. 7, at 1:30 p.m. at the high school. Members of the board who will take part in this meeting when matters of policy and purpose for the coming year will be discussed, are Mrs. Charles Woodcock, president; Mrs. J. O. Bishop, first vice president; Miss Elizabeth Parks, second vice president; Mrs. T. R. Yoder, recording secretary; Mrs. J. W. Post, corresponding secretary; Mrs. John Keefer, auditor; Mrs. E. E. Banks, historian; and Mrs. R. S. Sleeth, parliamentarian.

**Going to U. S. C. Here's Data On Registration**

Dates for English classification and scholastic aptitude tests, required of all students intending to enter the University of Southern California, were announced this week by the S. C. Admissions Office.

Examinations for prospective Trojan students will be given at 8:45 a. m. on each Saturday through Sept. 30, in room 206, Administration building. The lowered fee of \$3, established last year when the two tests were combined, may be paid at the Comptroller's office on the day the student takes the examination.

Registration for the fall semester on the Trojan campus will start Sept. 12, when students entering the S. C. junior college will sign up. Entering freshmen will register the following day, with classes beginning on Monday, Sept. 18.

Special events for Freshman Week will include President R. B. von KleinSmid's reception for new students, an all-university dance sponsored by the S. C. student body, and special meetings designed to orient newcomers to the S. C. campus.

The first meeting of the membership will be held in October. To supply funds for the work of the organization the High School P.T.A. will sponsor a donkey baseball game at the city park on the evening of Thursday, Sept. 14. Admission to adults will be 25 cents, children under 15 years, free.

**Steel Work**

Nearly 600,000 lbs. of steel in these units a year.

And they are making mistakes about it.

The 2,000 sq. ft. of yearly production in connection with the steel industry is a good thing. It is the steel industry that is the backbone of the American economy.

Nearly 600,000 lbs. of steel in these units a year, enough to build a standard head size steel structure.

To facilitate work, nearby bands are and over clips. In the steel industry it has more than 100 machines a average of 50 panes.
