**BETTER DECIDE YOUR ANSWER BEFORE YOU VOTE ON 30-THURSDAY:**

**ARE YOU WILLING TO PAY YOUR SHARE?**

Count the cost, California voters—count it carefully—NOW—before your vote makes 30-Thursday the law. For IF it becomes law YOU PAY from then on!

*"I am Against It"*

—says President Roosevelt

President Roosevelt warns against 30-Thursday: "It would constitute a 25 per cent income tax which would fall far heavier on the poor than on the rich."

**WORKING** Californians would pay for every "dollar" warrant issued to the privileged class of *Non-Workers* established by this fantastic and Dictatorial plan.

Then (in addition) a new 3 per cent tax on gross income, or gross transactions tax, would be levied against every cash transaction. A vicious, pyramiding tax, applying to each turnover—all in addition to all present taxes. *That means...*

- A NEW TAX ON FOOD
- A NEW TAX ON CLOTHES
- A NEW TAX ON BUSINESS
- A NEW TAX ON THE FARMER
- A NEW TAX ON THE CHURCH
- A NEW TAX ON YOUR PAYCHECK

*It's all written in the Act. Don't be fooled—or careless. Count the the cost to You! If 30-Thursday passes, YOU PAY!*

**VOTE "NO" on NO 1.**
