How Would You
Like to Make
Money in Real Estate?
Have you \$300 you
can invest that will
positively make you
money—possibly as
high as \$6700?
You Cannot
Lose, No Matter
What Happens.
Here's the deal!

There are some lots
now remaining in the
NEW
WESTERN AVENUE
OIL STRUCTURE AT ONLY
\$200. EACH (A few at less
than \$300.) WE BELIEVE
THEY WILL INCREASE IN
VALUE VERY MATERIALLY.

THE REASON?
Careful analysis of this re-
gion by competent geologist
resulted in report that
prompted multi-million dollar
concern to spend the nec-
essary amount to sink a well
—the derrick of which is al-
ready in place.

THIS EXPLAINS WHY—
The present asking price of
\$300 or less, in an area where
some people are now asking
as high as \$1750 per lot will
naturally go up as the drill
goes down. You win if oil
doesn't come in because the
price of these residential lots
is far below value—if oil
comes in, you stand the
chance of making as high as
\$6700 per lot. What can you
lose? Investigate this oppor-
tunity now. No obligation.
Just act!
