

SAN PEDRO LEADS IN MARINE TRACK PRELIMS - FINAL EVENTS FRIDAY - 1 P.M.

Pirates Strong in All Three Classes; Trezise Takes Hurdle Events Easily

San Pedro's powerful track teams will attempt to make a clean sweep of the Marine League meet tomorrow afternoon on Narbonne's field in Lomita. That the Pirates, who qualified 18 men in the varsity preliminary events Tuesday, may succeed is almost a foregone conclusion. They displayed great strength in almost every event of the three divisions.

The field events start at 1 o'clock Friday afternoon with the track dashes due to get under way an hour later.

Narbonne placed second in the varsity, qualifying 12 athletes, followed by Banning with eight. San Pedro scored 17 1/2 points to lead the Class B field-event finals and 28 points to pace the Class C division. Pedro qualified 10 men in the B and 11 in the C to lead these two divisions in the trials.

Cliff Trezise, Torrance hurdler, won his high stick heat in 15.2s and his lows in 21.2s but breezing along. The Tartar hurdler has an unofficial mark of 14.6s for the highs and an official 19.6s for the lows this season. El Segundo's Carter turned in the outstanding performance at Tuesday's prelims by galloping the half-mile in a new Marine record of 2m. 2.7s.

Gerald MacDonald, Torrance distance ace, may not be able to compete in the meet on account of illness. Coach Pete Zamperini said yesterday. His absence will be a severe blow to the Tartars.
