"Blessed be the name of God for ever and ever; for wisdom and might are his; he giveth wisdom unto the wise, and knowledge to them that know understanding." These words of Daniel are the Golden Text in the Lesson-Sermon on "Mind" on Sunday in all Churches of Christ, Scientist.

Included in the Lesson-Sermon are these words of Paul to the Romans: "For I delight in the law of God after the inward man; but I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members." "Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof. Neither yield ye your members as instruments of unrighteousness unto sin; but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God."

Among the selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are the statements: "In a world of sin and sensuality hastening to a greater development of power, it is wise earnestly to consider whether it is the human mind or the divine Mind which is influencing one." "All that really exists is the divine Mind and its idea, and in this Mind the entire being is found harmonious and eternal. The straight and narrow way is to see and acknowledge this fact, yield to this power, and follow the leadings of truth."

## Rev. Ben Lingenfelter Endorses Mrs. Colden For Congress Seat

Rev. Ben H. Lingenfelter of 1311 West 218th street is supporting Mrs. Clara N. Colden in her campaign as representative of the 17th Congressional district, it was disclosed in the following letter to The Herald:

"The greatest need of the nation is for representation of intelligence and character. Too many representatives succumb to the temptation of lobbyists representing corporate wealth. Too many follow the leadership of demagogues. Mrs. Colden is a woman of character and ability.

"She has had five years' experience in Washington and has a keen insight into all that goes on there. She has a valuable acquaintance with the real leaders of the House. In my judgment she is by far the best qualified of any candidate in the field and should have the support of the good people of the district at the primary election.

"There is where the important decision is to be made. I urge all my friends to both work and vote for Mrs. Colden." Rev. Lingenfelter concluded.

## Gains Support

JOHN DOCKWEILER

A strong trend toward John Dockweiler for district attorney, which began when three candidates withdrew their names to support him before the filing date, continued into the closing hours of the primary campaign when it was announced today that Norbert Savay, whose name will appear upon the ballot is asking his friends to vote for Dockweiler.

Lawrence Larrabee, George Stahlman and Grant Cooper voluntarily withdrew their names before the filing date, in order that the forces of "good government" could concentrate on Dockweiler, and the Democratic County Central Committee, Mayor Fletcher Bowron, Clifford E. Clinton, the majority of labor unions and many other civic-minded individuals and organizations have endorsed Dockweiler.

His headquarters freely predicted today that John Dockweiler certainly would be on the ticket after Aug. 27 and probably would lead all his opponents by a substantial majority.

## Keystone Folk Going Strong for Mrs. Colden

Keystone residents are strongly supporting Mrs. Clara N. Colden as representative in Congress from the 17th District, according to Mrs. A. L. Hudson and Mrs. John Sullivan, who are actively working in Mrs. Colden's behalf.

Mrs. Colden is well known throughout the East Torrance and Keystone district where she has many friends and supporters. In an open letter, published elsewhere in this issue, Rev. Ben Lingenfelter of the East Torrance area unqualifiedly endorsed Mrs. Colden as "by far the best qualified of any candidate in the field."
