THE TOWN PUMP

Keep This Under Your Hood! If you're dizzy from being told the things to do to your car every so often—here's the answer. Let Standard's Under Hood Record ride herd on your car! It fits under the hood and has space on it for keeping track of oil changes, lubrication dates and

mileages, battery checks and things. Your Standard Service Man will install it free—and he'll do all the work of keeping the record! Whenever he adds water to your car, he'll check that record to make sure your car maintenance is up to date. Come on in and ask about that Under Hood Record—take a load off your mind!

Is there oil on your garage floor? Have you ever noticed how clean we Standard Service Men keep the drives at our stations? That's because there's nothing that rots tires so quick as oil and grease. If your home garage has oil on the floor, give it a strong soap powder and hot water treatment. Sunlight is hard on tires, too, so park inside or in the shade wherever you can.

Grease is cheaper than metal! Do you know that the entire weight of your car rests on about 64 bearing surfaces? And remember, all that keeps them from grinding themselves to bits, is grease. That's why it's so important to get the right lubricant to the right place at the right time. That's a job in which every one of us Standard Service Men is thoroughly and systematically trained.
