Physician Joins Torrance Firm

DR. R. O. PEARMAN

A graduate of Harvard Medical School, where he received his M. D. degree in 1935, Dr. R. O. Pearman is now a permanent associate of Drs. W. J. Harrison and W. I. Laughon, whose offices are located at 1339 Post ave. He is taking the place of Dr. Harrison who is now serving with the Army Medical Corps as a major at the present time. However, Dr. Laughon announces that Dr. Pearman is a permanent member of the firm.

The new physician received a fellowship in surgery and urology at the Mayo Clinic following his graduation from Harvard and came here from St. Joseph, Mo., where he was regarded as one of that city's most outstanding physicians and surgeons. Dr. Pearman is married and has two children, Kim, three, and Roberta, five. He has been received as a member of the Torrance Memorial hospital staff.

"I am glad that Dr. Pearman has decided to associate with our firm," Dr. Laughon said this week. "His experience and thorough knowledge of medicine and surgery makes him an invaluable addition to the community life, especially now when our present standards of health must not be impaired by lack of medical attention. He is a worthy successor to Dr. Harrison and I believe residents of this community will recognize his ability within a very short time."
