Hearing on Felker Plant Extension Appears Belated

If the public hearing announced by Mayor Tom McQuinn for Aug. 24 at 8 p. m. results in opposition to the extension of Max Felker's factory building on Border ave., Felker is going to be out a considerable piece of change. He has already installed foundations for the extension back to the alley, the addition being the subject of the hearing called by the mayor. The city council indicated at its last regular session it would place no obstacles in the way of the Felker plant expansion and the owner proceeded with the work on this information.

First Aiders Win Praise for Work

Members of the Volunteer First Aid Detachment will meet Thursday night, Aug. 27, at 7 o'clock in the Civic Auditorium. Anyone who has completed an Advanced first aid course and is physically fit may apply for membership in the unit and drill with casualty station workers. The Detachment participated in the "practice incidents" held to train Civilian Defense workers last Thursday night. Rhodes T. Graham, deputy county health inspector who is serving as field representative of the Emergency Medical Service of the O.C.D., was present and inspected all phases of the work. He declared he was well satisfied with the training of the local unit and was highly gratified to find Torrance so well protected by such well-trained and efficient civilian defense units.

Sparling Tours In Covered Wagon

The days of gasoline rationing and disappearance of rubber tires—if and when those days come—hold no fear for Harold A. Sparling, candidate for Congressman from the 17th District, who recently paraded in a four-wheel covered wagon. Realizing that people are not interested in this year in the typical rattle-rousing political campaign, Sparling said he was employing this unique method to help them "relax" and to get their thoughts back to Americanism. Sparling is the only candidate who ran for this position in 1940 to be in the race this year. With the slogan, "Vote twice for Sparling," he is a candidate in the special as well as the regular election.

Actors Stage Game As Soldiers Play It With Vengeance

Modified mayhem was committed on the 20th Century-Fox lot, when "Ten Gentlemen from West Point" was in production. And all because of a mere lacrosse game. Director Henry Hathaway had George Montgomery, John Sutton and some thirty other players lined up. "This lacrosse game can be everything or nothing," Hathaway said. "The way the soldiers used to play this thing, it was murderous. If less than three got killed, it was a major

"Ten Gentlemen from West Point," due Saturday at the Plaza theatre in Hawthorne, stars Maureen O'Hara with Montgomery and Sutton.
