

Motorists Sharing Rides Should Check Insurance Policies

The State Highway Traffic Advisory Committee recommends that motor vehicle owners of California who are using their cars in the "Share-the-ride" plan check their insurance policies to determine if they are adequately covered against liability for accidents.

If insurance is carried on the car, the owner and driver are protected by most policies. Virtually all standard insurance companies have modified their policies to permit the carrying of passengers for a charge under the group riding plan.

FOREST HIGHWAYS

There are 24,077 miles of improved highways running through the national forest of the United States. In addition, the forests of America contain 118,307 developments roads and 157,501 miles of horse and foot trails.

PENNEY'S LAST MINUTE Gift Guide

LET US MAKE THIS A GOOD CHRISTMAS

Our chain of joyous, untroubled Christmases is broken. This Christmas will be different... but we can still make it a good one.

All that Christmas means to us is in peril today and may be lost to us unless we dedicate ourselves wholly to the task of winning the war.

We must preserve our Christmas spirit, so it will shine out for all the world to see. This Christmas, of all we have ever known, must be a good Christmas.
