

John Marry was the first com-
modore of the United States
Navy.

The California redwood is the
largest tree found in North
America.

Church Arranges Special Mothers' Day Observance

First Christian church extends
to everyone next Sunday a cor-
dial invitation to attend the
Mothers' day program. There
will be gifts for the oldest and
youngest mother, mother with
the greatest number of mem-
bers of her family in church
with her and the mother with
the most sons in the armed
forces. There will be flowers
for all mothers present at the
morning worship service.

Job's Daughters will be pre-
sent in a body to honor their
mothers. There will be a dedica-
tion service for all babies that
are present and a booklet,
"Blessing of Children," given to
them with their names inscribed.

First Communion Sunday at Catholic Church for 22

Twenty-two children will re-
ceive their First Communion at
the 8 a. m. Mass next Sunday
morning at the Catholic Church
of the Nativity. They have been
receiving catechism instruction
preparatory to this sacrament
for the past several months.

Rev. Joseph L. Bauer, the pas-
tor, announces that Novena ser-
vices to the Sacred Heart are be-
ing held every Wednesday at
7:30 p. m., followed by classes for
converts at 8:15 p. m. All are
welcome to attend and there is
no obligation to receive this in-
struction, Father Bauer said.

There are about 5000 bison in
the United States.

ALCOA WORKER PUTTING ALL OF HIS EARNINGS INTO BONDS

Ten per cent into War
Bonds?
That's nothing to William F.
Owens, a worker at the Torrance
plant of the Aluminum
Company of America.

He is putting his entire earn-
ings into War Bonds, accord-
ing to the last issue of the
Alcoa News.

When he was asked if he
wanted to buy any bonds
through the voluntary payroll
allotment plan, Owens an-
swered with an emphatic
"yes" and then signified he
wanted all of his weekly earn-
ings put into War Bonds.
He is said to be the first
Alcoa employee to be a 100
per cent buyer.

All of the construction em-
ployees at the plant are buy-
ing bonds through the payroll
allotment plan and they have

been awarded a Minute Man
flag by the Treasury Depart-
ment for this patriotic con-
tribution, according to Harry E.
Keller, works manager.

MECHANICS IDEA GIVEN RECOGNITION

For an idea which is ex-
pected to save 750 man hours
every month at the Aluminum
Co. of America's Vernon plant,
a Southern California instru-
ment mechanic has won Wash-
ington recognition.

He is William W. Wehner,
30 of East Los Angeles. His
idea for a two-point thermo
couple capable of months of
service instead of days is
praised in a certificate of in-
dividual production merit
awarded by the Office of Don-
ald M. Nelson, War Produc-
tion Board chief.

War Relief Drive Gets Under Way at Steel Plant

The Columbia Steel Co. plant,
placarded with war relief pos-
ers on all walls, this week
launched its War Fund cam-
paign under sponsorship of a
joint labor-management com-
mittee. Three plant meetings were
held outlining to employees de-
tails of the campaign. Repre-
sentatives of Management, Red
Cross and C.I.O. Relief com-
tee spoke.

The joint committee has adopt-
ed a model plan which combines
into one fund the Red Cross and
War Chest campaigns, thus al-
lowing contributors to give "once
for all." Pledges, which are en-
tirely voluntary, are paid by
means of payroll deductions. So
gan of the plant campaign is
"Give one hour's pay a month
for 12 months."

All speakers emphasized the
tremendous importance of the
War Chest and Red Cross in
the war effort and stressed la-
bor's increasing participation in
both the direction and support
of this work. The committee in
charge of the plant campaign
consists of George Steele, chair-
man; Tom Wagner, Neil McGon-
logue, Victor Teer and Virgil
Larsen representing labor, and
Cam Jones, Earl Wingarden and
Vic Berry representing manage-
ment.

NAMED BOND CHAIRMAN

Hillman Lee, manager of the
J. C. Penney Co., store here,
who successfully managed the
Red Cross War Fund drive, has
been appointed Torrance chair-
man in charge of the sale of
War Bonds and Stamps.

Anglers Unite for Trout Trips

Opening of the trout fishing
season last Saturday found a
large number of Torrance anglers
trying their luck in streams far
closer to home than they usual-
ly explored. Most of them
"rang up" four or five to a
car—to share gas ration cou-
pons for the journey to such
points as Irvine Dam, San Ber-
nardino mountains, Piru Creek
near Fillmore and Lake Hen-
shaw, according to E. J. Scott,
of the Torrance Electric shop.

"Scotty," an ardent sportsman,
keeps close track of where the
best hunting and fishing is to
be found and his shop is a mes-
sa for many who find time to
quest for fish or game. He re-
ports the sale of licenses has
been about normal. Fishermen
will make a number of trips to
the closest angling spots before
the season is over.

Miss Betty Lee In Liqueur Fees

California cities and counties
are about to share \$1,129,207,
representing half of the alcoholic
beverage license fees for the last
six months of 1942, according to
an announcement made here to-
day by William G. Benelli,
Fourth District member of the
State Board of Equalization.

Of this sum, shared on the
basis of the location of licensed
premises, \$345,511.76 will be dis-
tributed in Los Angeles coun-
ty and \$820 will go to Torrance.

RETURNS HOME

Miss Betty Lee Templeton, a
cousin of Mrs. Ben D. Griffith,
Sr., has returned following a
two-weeks' visit with her mother
in Walsenburg, Colo.

OBITUARY

NICK GIATRAS—Funeral services for Nick Giatras, 64, of 2440 E. 10th Ave., who died last Wednesday in the Los Angeles General Hospital as a result of a cerebral hemorrhage, were held Saturday at San Pedro. Rev. Metakidis of the Greek Orthodox church officiated and interment was at Pacific Crest.

Mr. Giatras was a passenger in an ambulance which collided with a street car at 54th and Flower sts. in Los Angeles while en route from Torrance to the hospital. He lived with a cousin, Panos Giatras, here. Another cousin, Peter Giatras, lives at 1700 Plaza del Amo. Mr. Giatras, a native of Greece, had lived in San Pedro for 10 years before coming to Torrance.

WILLIAM H. FRASER aged 89 years, passed away April 12 at an Inglewood sanitarium. He had resided in Torrance for the past ten years. Interment was at Inglewood Park cemetery. He leaves several nieces and nephews, among whom are Miss Lute Fraser and Mrs. Fern Shafstall of 25934 Cypress st., Lomita; Harold F. Weiler and Earl V. Weiler of Berkeley.

Mr. Fraser was a native of Illinois and as a young man located in Idaho where he engaged in mining and later was elected to the state legislature. For a number of years he resided at Highland Park.

JAMES E. HORN—Funeral services were held Wednesday at the McNeerly mortuary for James Everett Horn, 40, of 1019 West First st., who died at 4:30 p. m. Dr. Earl Eppert officiated. Torrance Masonic lodge, of which Mr. Horn was a member, conducted rites. Burial was in Forest Lawn Memorial Park.

Mr. Horn had lived in San Pedro three years. He was employed by Columbia Steel Co. Besides the Masonic order, he was a member of the Acacia Club, the Knights of Pythias and Doky lodge.

He leaves the widow and a step-daughter, Mrs. Ruth Parvis of Fontana; parents, Mr. and Mrs. T. J. Horn of Fontana; two brothers and two sisters.

Policy on Street Service Outlined

Because of the "number of home construction projects scheduled for the city, the council indicated at an adjourned meeting Tuesday afternoon that it may adopt a policy in regard to what improvements the city will install for the convenience of the new developments.

Recently the municipal board voted to install sidewalks, curbs, gutters and improve a portion of Cabrillo ave., near Plaza del Amo where Katz and Pine, builders are planning to erect about four houses. The improvement was authorized at the request of the builders who said the P.H.A. required the work before assisting with the financing of the homes.

Now the P.H.A. is demanding, according to information given City Engineer Glenn Jain and reported to the council Tuesday, that "at least a 'token' improvement, consisting of at least the start on the work" be made at once. Councilmen, informed by

Boys Fill Civic, Business Jobs for One Day Here

Observance of National Boys' Week was postponed and combined into one day of activity here today. Principal Harold Perry of the high school announced. Tonight about 65 boys will be guests of the Torrance Rotary and Kiwanis clubs at a joint dinner meeting in the Woman's clubhouse.

"Boys' Day in the Community" was followed today by 24 youths who assumed civic and business roles to get an understanding of municipal government and mercantile management. Those who participated and their jobs-for-the-day were:

Wallace Kvilvang, mayor; Harvel Gutfenfelder, Jr., police chief; Charles Rippey, fire chief; Bert Smith, postmaster; Jimmy Woodburn, city judge; Edwin Egner, Jim Prime, Paul Svenski and John Agapito, police officers; Ray Campbell, Stuart Smith, Bob Leech, and Walter Smith, firemen; Ben Ordway, Herman Goettsch, Kenneth Harris and David Callahan, city councilmen.

Theodore Smith, city engineer; Monte Koch, city clerk; Darrell Conley, city attorney; Leon Baker, city treasurer; Herman Jones, court clerk; Donald Johnson, Levy's Department store; Tom Nuckles, Bernard's Bootery; Paul Pierson, Bank of America; J. A. Barrington, Torrance National Bank; James Johnston, Star Furniture Co.; Melvin Miller, Men's Store; Charles Sutton, Western Auto Supply store; Homer Billard, Torrance Hardware store; Wallace Prieur, J. C. Penney Co.; Ed Robes, Schwartz Clothing store, and Lloyd Warthan, La Mode Furniture Co.

Navy Recruiters Get Good Response Here

A number of prospective Navy recruits were interviewed and five or six scheduled to take physical examinations during the two-day visit of Chief Henry Dupske and William S. Lepper, specialist 1/c, of the San Pedro recruiting station at the Torrance Civic Auditorium this week.

DINNER GUESTS

Mr. and Mrs. Joe Tavan were entertained at dinner Friday evening at Mrs. Betty Farm as guests of Mr. and Mrs. B. L. Lawrence and Mr. and Mrs. James Servens of Santa Ana.

The engineer, that developers of homes along 203rd st., may make a similar demand, were inclined to "hedge" their offering of city-paid improvement.

The consensus was that the city should not be bound by "any hard and fast rule regarding what improvements the city will provide at new construction projects" and it was indicated that in the future such work may be limited to street surfacing only. This would leave installation of sidewalks, curbs and gutters up to the developers.

There was some talk about making an inspection tour of the Katz and Pine and 203rd st. development but no decision was made at the Tuesday meeting when this trip would be made or if the council would definitely fix a municipal policy on new housing improvements.
