Gas Rationing Need Not Hamper Your Recreations
Many people are solving their entertainment problems by joining the Loyalty Order of Moose in Torrance, California. The Lodge maintains attractive club rooms and reading rooms for its members. It is here that lasting friendships and valuable contacts are made. Many social activities are regularly scheduled for the enjoyment and pleasure of the entire family.

The Moose regularly sponsors dances every Saturday night for the enjoyment of young and old alike. The Loyalty Order of Moose is a benevolent, non-sectarian, fraternal organization and welcomes all loyal American citizens to become members of this fast growing lodge. The Moose offers many fine features to its members: there is a Mooseheart for the aged, which is known as the home of opportunity for dependent members and their wives and is truly a haven of contentment and happiness. There is also Mooseheart, a home and school for dependent

CONTROL PULPIT FOR NEW ROD MILL
Interior view of the main control pulpit in the new continuous Rod Mill at the Pittsburg, California, works of Columbia Steel Company, a U. S. Steel subsidiary. The pulpit operator controls speed of mill, keeping entire plant synchronized. Installation of the Rod Mill, the most modern of its type in the United States, marks another finished step in the United States Steel Corporation's \$700,000,000 war expansion program. The plant furnishes rods to the adjacent Columbia Steel Wire Mill, which is now humming day and night to fill wartime orders.

New Poster Features Minute Man
For Freedom's Sake
BUY WAR BONDS
The most recent poster to be released by the Treasury Department is the work of John Atherton, noted painter and illustrator whose earlier "Buy a Share in America" was a prize winner in the New York Museum of Modern Art's poster competition. His latest poster, shown above, depicts Daniel Chester French's famous statue of the Minute Man of Concord and Lexington. Few artists can claim Atherton's distinction in both commercial illustrating and surrealist painting.

children of deceased members. Here every child is given a high school education and taught a useful trade or profession. The widowed mother may accompany her children to Mooseheart if she wishes, where she is given remunerative employment. Membership in the Lodge also provides for weekly sick and accident benefits, special relief in time of financial stress and all funeral expenses are provided for.
Cost Only 4 Cents Day
The Loyalty Order of Moose is an international organization and is well known for its patriotism, over 50,000 members are in the armed services of their country. During any member's enlistment in the armed services, his dues are suspended for the duration by the Grand Lodge. It demands unquestioned loyalty to the United States government and profound respect for our flag. The cost of these many services and special beneficial features is only 4 cents a day. You are cordially invited to visit our Lodge and club rooms as a guest, the Board of Governors announced.

Military Men May Fish Free In California
The fish had better watch out if members of the armed services are as adept at angling as fighting. Governor Earl Warren has signed the Carey bill permitting the military folks to fish without a license. The bill was designed to aid those on short leaves and furloughs.

Containers Wanted for Salvage Re-use
Agricultural agencies are asking retailers and restaurant users to salvage for re-use fresh vegetable and fruit containers and egg cases to offset a 50 per cent cut in lumber supplies available for making the cases.

Spring Rains Damage State Fruit Crops
Unseasonal spring rains have materially damaged prospects for large California fruit crops, a report of the California crop reporting service disclosed today. Grape and citrus crops, however, apparently escaped damage and average or better yields are expected, the service said. Especially light crops were forecast for almonds, peaches and apricots, with a warning that the apricot production may exceed only slightly the 108,000 ton short crop in 1940. Better prospects were seen for apples, pears, plums and prunes. The cherry crop was estimated at 19,700 tons, more than 13,000 tons under last year's production.
