"Mark the perfect man, and behold the upright; for the end of that man is peace." This statement of the Scientist in the Golden Text of the Sunday Lesson—Sermon on "Man" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.
In a Bible citation from John's Gospel it is related that Jesus saw, at the pool of Bethesda, a man "which had an infirmity thirty and eight years." Jesus said unto him, "Why thou be made whole? The impotent man answered him, Sir, I have no man, when the water is troubled, to put me into the pool; but while I am coming, another steppeth down before me. Jesus saith unto him, Rise, take up thy bed, and walk. And immediately the man was made whole, and took up his bed, and walked."
In the Christian Science text-book, "Science and Health with Key to the Scriptures" Mary Baker Eddy writes: "God is as incapable of producing sin, sickness and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this triad of errors—man who is made in the divine likeness?"

Preparations are being made so that the large tent may be placed on the lots at 1408 Cabrillo ave. at Sartori.

"I've got home-front enemies, too!"
Financing the war effort is only part of the fighting use to which I put your War Bond dollars. They're also helping me battle inflation... a home-front enemy as stealthy and deadly as the enemies on foreign fields.
Inflation weakens the buying power and soundness of your money. And it doesn't have to lift a finger to do so. Every dollar you spend for goods you don't really need, helps inflation's evil purpose.
So put your extra money in my hands, for War Bonds. They will help to insure a victory overseas and a home-front victory over inflation.
