

# Look into Your Heart before you give me your Answer!

**M**Y NAME isn't important. I'm just one of the millions of fellows over here fighting for America. I'd like to speak for these fellows—to you folks back home.

You see, I think I know what's in their minds, because we often talk things over among ourselves. Mostly we talk about home—about the places we came from and the things we plan to do when we get back. Right now, especially, we're thinking a lot about home, for we're in the bloodiest battles of history—and we know that some of us will not come back. Some of us will never see again the ones we love.

But—we've got a job to do and we're going to do it. What I want to say to you folks back home is this: we'd like to think that you are with us in this bitter struggle of invasion. It would help a lot to know that you are really behind us, backing us up 100 per cent. It's going to take a heap of ammunition—and ships and planes, tanks and guns, to beat the Axis. That's what the 3rd War Loan is for; it's for INVASION. Most of us fellows in the service are putting every dollar we can into War Bonds. But you folks back home will have to carry the *big* load. We've got to depend on you. Don't fail us, will you?

\* \* \*

Yes, it's to *you* this boy is looking in this critical hour. Today America calls upon *you* to do *your* part in the 3rd WAR LOAN. And your part is at least one EXTRA \$100 War Bond during the drive. *AT LEAST* \$100. That's in addition to your regular War Bond subscriptions. Invest more if you possibly can—some of you must invest *thousands* in order to reach our national quota. Invest out of your income—invest out of your idle or accumulated funds.

Remember, this money must come from *individuals* like yourself. Each and every one must do his share.

Let's do it the American way—willingly, gladly. Do it with the knowledge that you are putting your money into the safest investment in the world—to be paid back with interest by your government.

Sacrifice today—you will be richer for it tomorrow. Back the invasion now—buy at least one *extra* \$100 War Bond in September.

### Your Answer is Either "Yes" or "No" in this Roll Call of the Nation—

**YES**  I will honestly do my best to invest in *at least* one extra \$100 War Bond during the 3rd War Loan Drive. I will lend my Government this money gladly to back up our fighting men.

**NO**  I am *not* lending any of my money to my country, I'm *spending* it. Sure, I know the boys who are fighting for me need support, but let somebody else make the sacrifices.

Your answer will be given in the number of EXTRA War Bonds you invest in during September.
