THE TRADER SAYS
Well, here we are again, and asking you all who are through with your toys to bring them in so as some kids can have a few hard-to-get playthings this Xmas. Some of you did last week and thanks—but gosh, there must be a lot more. Let's look around. Looking around here we see a General Electric Ironer, table-top type and in swell condition; another vacuum cleaner, floor, Radios but still some, and a Philco portable AC-DC; Wood Stoves, cook on top or heat that—O, so cold house—mine is any-how. How about a Seth Thomas Mantle Clock—strikes the hour; or a Sevenway Floor Lamp for Nmas; or even a grand 2-piece pre-war Tilt-Back set. Yes, we'll take the old one off your hands. Seems as though a good pre-war Baby Buggy would make some one happy—we have some, but no babies—'tain't right! Well, here's a Guitar (Washington); lots of people make swell music with them—we can't, so it's waiting for you, and a Cornet too, if your neighbors will stand for it. Come in and see us, or just stand outside and admire our new sign—'n't it swell?

TRADER WANTS . . .
More Heaters, any kind; more Chairs—must be some in the garage. Any old Radio. Guns we need more than you do, especially if you are feeding them to the birds. Anyhow, we buy anything and fix it now. So come in—bring it in or call us and we'll come see. Fridays 10-6 now.
