300,000 Expected To File Claims for Income Tax Refunds

According to Harry C. Westover, internal revenue collector, 300,000 claims will be filed by Southern California residents to secure repayments of income taxes between now and March 15.

These claims will be largely filed by persons whose paychecks during 1943 were subjected to withholdings in excess of the actual amount of income tax they will owe for last year. Many persons whose only employment was during the holiday season or during vacation periods, and who had deductions taken from their paychecks will be entitled to refunds.

These refunds may only be secured by filing a 1943 income tax return. All returns indicating that refunds are in order will be sent to New York for processing. Checks will be mailed to the claimants after the returns are audited. This process will take somewhere between 30 and 120 days, depending on the time of filing.

My advice to taxpayers entitled to refunds is that their tax forms be filed at the earliest possible moment. A claim for refund filed in January may conceivably be acted upon in 30 to 60 days. But, if the claimant waits until the last minute March rush, he will be fortunate to receive his check by September, said Westover.

Roloff to Conduct Evangelist Series Starting Sunday

"Life Enrichment" is to be the theme of a series of evangelistic services conducted by Rev. Wesley Roloff in the Santa Ana Evangelical Church. The services will continue for one week, Jan. 23 to 29.

At the Torrance church, Rev. O. D. Wonder, former pastor, will teach the adult Bible class at 9:45 and bring the morning message at 11:00 Sunday, Jan. 23. On the following Sunday the Rev. Ben Lingenfelter will bring the morning message.

The "Stigmations," outstanding sacred choir of Hollywood, will bring a vesper hour concert Sunday, Jan. 30, at 4:00 p. m. The choir is directed by Laverne Sigmond, who founded the group more than eight years ago.

On Feb. 6 at 2:45 the church will be honored by the presence of one of its splendid bishops, Dr. C. H. Stauffer of Kansas City. The service is to be in charge of the Southern District Young People's Union.

Dedication of Brooks Memorial Next Sunday, St. Andrew's Church

Sunday, Jan. 23, at the 11 o'clock service in St. Andrew's Church the memorials given by Mrs. Willis Brooks and her sons, Comet and Phillips, in memory of her husband and their father, Willis Moore Brooks, and Mr. Brooks' mother, Mrs. Eva Brooks Durfee, will be dedicated.

The two pieces of church furniture finished in light oak are in memory of Mrs. Durfee, a credence table, and in memory of Mr. Brooks, a clergy chair. Members of the family will be present for the service.

SHORT WAVE BAR

The new radio ordinance adopted by the Board of Supervisors recently upon the recommendation of the sheriff, which will become effective at the expiration of 30 days, will prohibit the installation of short-wave sending sets in automobiles without a license, and will make illegal the repetition of messages heard over such sets, according to Supervisor Oscar Hauge.

Council Named To Supervise Scout Awards

As head of the Harbor District Council, Boy Scouts of America, Hillman R. Lee has announced appointment of a merit badge council for the Torrance-Lomita area. Functions of the council, it was explained, will be to act in a supervisory capacity on the fitness of each Scout who becomes a candidate to receive these awards, in cooperation with the scoutmasters of the various troops.

Boys recommended for promotion will be requested by their leaders to contact the council at least a week in advance of the time set for their examination, Lee advised.

The council consists of the following members: Judge O. B. Willett, civic, city hall; Rev. Paul Moore Wheeler, cycling, phone 560; W. C. Silence, first aid and firemanship, Torrance Fire Station, phone 491; George B. Thatcher of WALTERIA, bird study, camping and pioneering, phone Redondo 7160; Sergeants Willard Haslam and G. S. Evans, safety, Torrance Police Station, phone 400; Captain Laski, first aid and firemanship, Lomita Fire Department, phone Lomita 263.

An advancement committee has been named consisting of John E. McCall, chairman; Roy Winters and George Thatcher. Scoutmasters will be kept advised from time to time of any changes or additions to the merit badge council.

Income Tax Blanks Add to Worries of Many Taxpayers

The epidemic of income tax "worries" is here. Since Harry B. Westover, collector of internal revenue, has mailed blanks which must be filled out and returned to his office in Los Angeles by the deadline date, March 15, the worries have increased.

Everyone seems to agree that the blanks could have been "streamlined" and made easier to understand or answer. Nevertheless they are here and the collector expects every taxpayer to fill them out and send in returns.

Every citizen and resident of the United States whose total income from any source whatsoever is as follows must file a return.

1. Single for the entire year and gross income equals or exceeds \$500;

2. Married but not living with husband or wife for any part of the year and gross income equals or exceeds \$500;

3. Married and living with husband or wife during the year and gross income exceeds \$1200, and

4. Single or married, regardless of the amount of 1943 income, if required to file a tax return for 1942. "Deadline for filing 1943 returns in March 15, 1944," declared Collector Westover.
