### Bowling League Standings In A-25 Show No Change

Team standing remained nearly intact after Thursday's Torrance A-25 Bowling League meet, but individual averages went through a definite up and down motion, according to Al Coast, secretary of the league.

Most of the higher averages took a bit of a drop, while several lower averages were going through a decided raise. On the upgrade was Coast, who banged out games of 214-189, 210-631, to lead the Steak House five to a 3-0-0 count over Doak Aircraft. Not to be outdone by his teammate, Wallace came through with a 246 game and 560 series. High for the losers was F. Buckley, who couldn't seem to get any help.

L. Sommers, Sr., proved to be a real "anchor" man, coming up with a 420 series. This 3-0-0 win put the Steak House out in front of the league by two games.

Mixing it up with Schwartz Clothiers, the Felker Di-Mets took two out of three in some very close games, the second only by three pins. This dropped the Clothiers to fifth place.

Johnny Clark was high for the winners with 565 while Burgener was best for the losers with 525.

On alley three and four Acme Beer eventually recovered from the shutout last week, gave Joe's Oilers a going over to the tune of 3-0. Thorpe and Trudgian set the pace for Acme with series of 583 and 567 respectively. Bob Sommers continued in the role of top bowler for Joe's Oilers with 206-556.

The Army Hospital five tried to take out Dean's Service from Gardena without the aid of the Marines. After the smoke had cleared, the soldiers were on the short end of a 3-0-0 count. With some very consistent bowling on the part of the entire team, Dean's came up with the high team series for the night, 2553. Baker was high for Dean's with 545, while Blanchard was top for the losers with 578 and not far behind was Sergeant Reark with 556.

Although there were no 250 games, Wallace came close with 246, high game for the night, and teammate Coast had 613 for high series.

Next week Joe's Oilers take on Schwartz Clothiers, Steak House vs. Army, Doak Aircraft vs. Dean's Service and Acme Beer vs. Felker Di-Met.

### Torrance Nine Defeated by Banning, 4-2

Torrance baseball team was defeated by a Banning nine Tuesday by a close score of 4 to 2. Five errors cost the ball game and probably their chance for championship.

Banning started the third inning off with two runs and three hits and two errors. Torrance tallied a marker to make the count 2-1, Banning's favor.

The Pilots then scored a run in the fifth and seventh innings on two hits and two walks.

Torrance in their half of the seventh inning loaded the bases when Stanley and Art Tappin singled. Dodas got in on a fielder's choice and one run came over when Jackson got in on an error. With the bases loaded and none away, Torrance could not bring the men across.

The lineup that took the field for Torrance was: Bennett, catcher; Hoke, pitcher; Morrison, first; Dodos, second; Jackson, shortstop; Stanley, third; Smith, Tappin and Intermill in the outfield.

### NARBONNE WINS

In their second Marine league game, Torrance was trounced by a powerful Narbonne nine, 11 to 1. Making eight errors and getting one hit, Torrance played a sloppy ball game.

The only tally came when in the sixth inning Jackson walked and scored when Narbonne made two errors.

Sammy Intermill tagged the only hit when he got a three-bagger in the fourth, but Torrance was unable to get him across.

Narbonne tallied for 11 runs and 10 hits. Hoke and Waters went the way for Torrance and Palca of Narbonne pitched a one-hitter.

Ledbetter on July 1, 1943, and this week reversed the transaction by buying it back. "It sure seems good to be back in Torrance and I am glad to welcome my old customers as well as meet so many of the new people who have come to this community," commented Lipp.
