### Henry Gores, Jr., Tells of Two Years Abroad

Mrs. Irene Howe, 260th st., is in receipt of a letter this week from Pfc. Henry Gores Jr., son of Mr. and Mrs. H. A. Gores, 213th st., Torrance, in which he says that he has seen considerable action in the European theater of war during the nearly two years he has been over there.

He had spent a year in England when he first arrived over there, covering nearly the whole island including Liverpool and Plymouth, during that time. Having seven days in London, he was able to visit many of the historic buildings. Moving on, he hit the coast of France soon after D-day, then on to Belgium and Holland and to his present location where he says "it is very cold."

Young Gores lived on 261st st., Lomita in his early years attending Orange Street school and later went to Narbonne High school. He transferred to Torrance High school when the family moved to Torrance and was graduated from there after his induction into the Army.

### Variety Show Presented at High School

**BY ROBERT MAXFIELD**  
The Torrance High School Variety Show was presented this morning in the high school auditorium for the faculty and student body. The purpose of the variety show is to bring before the faculty and student body the more talented members of the student body. In many schools these variety shows are visited regularly by talent scouts from the major motion picture companies and radio networks in search of new talent, it was said. Many popular radio and movie stars have been discovered in this way.

This morning's program featured vocals by Bill Johnson, Lucille Smith, Gerald Godard, John Blackmon, Joan Mumford and Don Tesky. Piano solos were given by Bill Morgan, Mary Lou Acord and Gerry Faren. An accordion solo was given by Barbara Plimpton and Bill Bynum whistled. The highlight was a barber shop quartet composed of Ralph Pegors, Bill Bynum, Bill Johnson and Gene Holomon.

The students of Torrance High school last Tuesday were hosts to the Hancock Ensemble which presented a musical program in the auditorium. This group is sponsored by Capt. G. Allan Hancock of the University of Southern California.

### Torrance Wins Over Redondo; Bows to Wilson

**BY DAN MOON**  
A strong Torrance High school tennis team returned from a practice match with Redondo Beach High school Tuesday, winner by a score of 6-2. First singles and second doubles were the only matches dropped to the Sea Hawks. Torrance showed a strong team and the boys are hoping for a championship this year.

Joe Weaver, playing first singles, lost his match by a score 2-6, 4-6. Frank Dominguez and "Vanny" Sommer, the other losers, also lost by that score. The winners on the Torrance team were: Bill Stanley, second singles; Eddie Page, third singles; Jim Meyers, fourth singles; Kenny Kesson, fifth singles; Jim Standifer and Bud Smith, first doubles; Leroy Schwank and Ralph George, third doubles.

Traveling to Long Beach, March 13, Tartar netmen ran into a strong Wilson High team and returned defeated in games though not in spirit. The only men to salvage any glory were Ed Page and Jim Meyers, third and fifth singles respectively. Joe Weaver, Bill Stanley, and Kenny Kesson all lost, although these matches were all closely contested. The first and second doubles both lost by a very close score. In the extra matches the only team that won was the Ralph George-Leroy Schwank combination who easily won their match.

Throughout the match it was the same story, close contests with Wilson having the edge. One set even went to 11-9 before the Long Beach team won. This makes the score seem lopsided, when actually a little luck and the entire match would have swung the Tartar way.
