Wrestling Bouts Will Feature Lopez - McDonald

Saturday night's wrestling bouts at the Redondo Beach Arena will see Vincent Lopez, the Mexican champion against Sockeye McDonald for two out of three falls — one hour time limit. Lopez never wanted to meet McDonald, until he was challenged by Sockeye on a winner take all basis. Promoter Dave Landau lost no time in signing them. Butch Madray, all style wrestler and favorite at the arena, will meet Chech Angel in a two out of three fall match — 45 minutes. Smokey Joe Woods will try and stop Johnny Stiles' winning streak in two out of three falls — 45 minutes.

GORDON MICHEAU HOME ON LEAVE

Pfc. Gordon Micheau, son of William A. Micheau, 1012 Cota, is home on a 30-day furlough following a year's service in the European war theatre. He was awarded the Purple Heart for wounds received the day before Christmas in Duren battle, one of three major campaigns in which he participated.

Gordon was honored at a party given for him by his father Saturday night which was attended by local friends and relatives.

Evans Wants Something Done About Garbage

James Evans, local merchant, asked the City Council, Tuesday night to do something about the garbage conditions in the alley adjoining his store in the 1200 block on El Prado.

It was his second complaint, he said, and files are so bad that he has to keep his store doors closed. The council said it would ask the property owners, health department, garbage contractors and police to work out remedial action.

Steel Supply Inventories Ordered Down

Lack of sheet steel for the next three months prompted Louis M. Dreves, WPB head, to order larger manufacturers to keep inventories of the product down to a 45-day supply. A 60-day inventory previously was permitted. The shortages, Dreves pointed out, threatens to delay appearance of many civilian goods. Plants using less than 25 tons a month are exempt from the 45-day supply order.

NEW AGENT

Monie McEwen, formerly a real estate salesman has announced he will maintain a brokers' office at his newly acquired home, 1226 Acacia ave.

Captain Scott Leaves After Visit At Home

Capt. Robert E. Scott, Jr., left recently following a week's visit with his parents, Mr. and Mrs. Robert E. Scott, of 1829 1/2 Cabrillo ave.

A holder of the Order of the Purple Heart and the Bronze Star, the serviceman was on leave from a San Antonio hospital, where he has been convalescing from wounds suffered in the Italian campaign.

Upon his discharge from service he plans to return to University of California at Berkeley where he was in his senior year at the time of his enlistment.

His father is employed at Doak Aircraft Company and his mother is a member of the office staff of U. S. Employment Service, here.

Several New Employees Are Hired by City

Several new employees were added to the City of Torrance payroll Tuesday night at the City Council meeting. They include: Cecil Powell, water department, 15 days; Robert Farron, park maintenance; B. L. Dorsey, bus operator; Paul Bean, patrolman replacing H. E. Garner, resigned.

State Guard Prepares Officers and Men to Assume National Guard Roll

In keeping with the War Department's recent statement of policy concerning the post-war organization of the National Guard, the California State Guard is engaging in an intensive training program aimed to develop the military efficiency of its officers and men. The present State Guard will be a natural nucleus for the post-war organization.

Brigadier General Victor R. Hansen, the Adjutant General, stresses the fact that the State Guard is engaging in an intensive training program aimed to develop the military efficiency of its officers and men. The present State Guard will be a natural nucleus for the post-war organization.

"The State of California has just right to be proud of the achievements of its National Guard now overseas in combat," Hansen declared. "By the same token there can be no question but that the State Guard is performing an indispensable function in providing internal security during the absence of the National Guard from the State."

Hansen pointed out that there can be no safe interim without local security forces between the war's end and the physical return of the National Guard. Present wartime conditions definitely amplify all factors concerning the safety and welfare of our California communities. There will also be abnormal problems confronting local law enforcement agencies in the immediate post-war era. The State Guard's mission is to provide military protection of life and property in any emergency or disaster when the situation is beyond control of local authorities and they request such help of the Government.

The Adjutant General is completing a current survey of all units in a move to do away with much of the paper strength brought about by absenteeism of some members and to rapidly eliminate such units that fall below the minimum strength and which have no specific mission. Northern and Southern California Area Commands have already been established with battalions combined into tactical groups as mobile forces that can quickly be sent into action within their respective counties.

Torrance Lions 'Adopt' Local Vocal Trio

Torrance Lions Club "adopted" a vocal trio after a performance at Tuesday's luncheon in the Civic Auditorium by Laura, Nell and Kathleen Ainsworth.

The trio, Nell, 19, soprano and student of Alma Donahue, Laura, 21, second soprano, and Kathleen, 22, alto and accompanist, who also accompanies Alma Donahue students, rendered a half-hour program for the Lions, arranged by Dr. Don C. Moskos, program chairman for the day.

Following the presentation, the Lions club by spontaneous assent decided that it would sponsor the trio before other Lions clubs elsewhere, and local service and fraternal organizations.

The girls came to Torrance from Greenville, Miss., with their parents, Mr. and Mrs. F. M. Ainsworth, an engineer for the Navy Department, and reside at 1304 Crenshaw Blvd.

Navigational instruments in the planes will be demonstrated and explained and then the plotted courses will be carried out in the navigation trainers.

The officers working on this schedule of activities are Lt. Spencer C. Sneyd, W. O. Andy Anastasia, W. O. Gifford Owens and Lois Plummer.

Britain and Denmark Not in Chest Drive

Denmark and Britain will not participate in relief funds of the Los Angeles Area War Chest this year, according to information given by Neil Petree, Chest president.

The America-Denmark Relief Society has withdrawn from the Chest this year, because it was unable to raise sufficient funds to carry on its own relief program, stated Jean Hersholt, national president and local chairman to the Chest president. It was felt that Chest funds should go to areas where the conditions are desperate, he said.

In making the decision known, Hersholt expressed the gratitude of the Danish government and its people for the help of the Chest in the past and pledged continued support of the Chest campaign.

The British Relief Society has formed a British Committee for the War Chest to support the coming campaign, in recognition of the help given to Britain in making it possible for its people to organize their own rehabilitation program, Preston Hotchkins, campaign chairman is in receipt of the announcement from Major Robert R. Glenn, president of the society.

Hospital Service Workers Sought By Red Cross

American Red Cross personnel interviewers today start the third week of an intensive six-week recruitment drive for salaried hospital service workers to serve in military hospitals at home and overseas.

Recruitment headquarters for Los Angeles and vicinity are located at 2030 Wilshire Blvd. with Edward M. Schotland of San Francisco. Red Cross personnel representative for the seven western states, in charge.

Trained interviewers are handling the appointments Monday through Fridays from 10 a. m. to 4 p. m., and Mondays, Tuesdays and Thursdays from 8:30 to 9:30 o'clock to accommodate those who cannot fulfill daytime appointments. Interviews may be scheduled by phoning DRexel 8104.

With living quarters furnished, the monthly pay starts at \$140, Schotland announced, with the salary scale depending upon training and experience.

Aimed to keep step with the increased demands in hospitals in continental United States and in evacuation hospitals overseas to care for the wounded returning from world battle zones, 3000 women are being sought across the nation with the Los Angeles quota set at 500.

Fundamental qualifications for applicants are: Age limits, 23 to 45; American citizenship; and at least two years of college training. Hospital service — One of the top-ranking Red Cross post-war programs — includes work on general social problems, recreation programs, facilities for making welfare loans and assistance in providing information on, and for, filing claims and benefits.

Monthly Red Cross Meeting Is Conducted

The regular monthly meeting of the American Red Cross, Torrance branch, was held July 23, 1945, at 8 p. m., at headquarters, 1346 El Prado.

Home service committee announced the addition to their service of Miss Caroline Delano, recently discharged from the WAC and therefore especially qualified to advise on matters requiring military knowledge. Mrs. Edith Ericson, home service chairman, stated that Red Cross felt extremely fortunate in securing the services of Miss Delano who will be at headquarters on Monday and Tuesday of each week from 10 a. m. until 4 p. m.

Mrs. O. A. Kresse expressed concern over securing sufficient donors for the August 10 Blood Bank and asked that a concerted effort be made to realize our quota on that date.

Mrs. Lola Hoover announced the postponement of regular monthly meetings until further notice.

Mrs. W. L. Neelands, canteen service chairman, stated the following canteen aides were graduated June 15, 1945: Elizabeth Russell, Clara McCormack, Tunnelle Adams, Margaret Masler, Clare Farrell, Margaret Felker, Bertha Sutton, Helen Maddy and Nellie Crook.

Alondra Park Development Fund Okayed

Improvement of Alondra Park, for 17 years a vast expanse of waste land limited by Torrance to park use alone, looms for the present fiscal year, Supervisor Raymond V. Darby having forced into the county budget \$35,000 for preliminary work.

Supervisor Roger Jessup fought Supervisor Darby's request for the \$35,000, but the majority of the board rode along with Darby and the amount was included in the budget.

Alondra Park adjoins Torrance at Redondo Beach Blvd. and Prairie.

Slashes totaling \$1,569,232 were made Monday by the Board of Supervisors in the \$100,513,128 1945-46 preliminary general county budget, leaving a total of \$98,943,895 as the final budget which must be adopted before August 31.

According to county officials, the cut will mean at least a 6-cent reduction in previous tax-rate estimates. Estimates were that the tax rate may be approximately \$1.38, an increase of 20 cents over 1944-45.

A highlight of Monday's budget session came when the board, with little opposition, permitted items totaling \$350,000 for acquisition and improvement of beaches to carry through to the final budget, and \$186,245 for improvement of county parks, including Alondra Park at a cost of \$35,000. In addition the board allowed \$18,351 to increase park personnel.

Other parks to be developed are Bell Gardens Park at a cost of \$48,335; Combs Park, \$88,600, and Palmdale Park, \$250,000. The supervisors over-rode a recommendation of the county manager for a \$125,000 decrease in the \$275,000 appropriation for the All-Year Club allowing the full amount to ride through to the final budget. They also allowed \$32,000 for Civic Center development to stand.

The board also allowed \$29,200 to stand for improvement at the Pilgrimage Play theatre.

Red Cross Staff Aide's Class to Open in Torrance

Registrations are being taken for a Red Cross staff assistant's class to be held in Torrance immediately after Aug. 1.

Mrs. Lillore Palmer from the Los Angeles Chapter, American Red Cross will conduct the classes which will be held for two weeks in the evenings.

Instruction will be on the background of the Red Cross and will be open to anyone desiring to take advantage of this opportunity.

An examination will be held at the close of the class.
