British Star At Canadian Legion Benefit

A most interesting and colorful afternoon of sports and entertainment is scheduled for the Eleventh Annual Benefit Day of the Canadian Legion Last Post Fund to be held at Loyola Stadium, Venice boulevard at Normandie, Los Angeles on Sunday afternoon, September 30th at 1:30 p. m.

Each year this Organization stages a benefit for the charity work it carries out, of seeing that Veterans who served the British Empire in past and present wars are properly taken care of at the time of their death should they need assistance.

The highlight of the afternoon will be a soccer football game between the Scots B. and F. Aircraft Soccer Club team, holders of the McIntyre Cup, and the Douglas Aircraft Footballers. Both teams have at one time been champions of California and considered the top ranking exponents of the great English game of Soccer Football. Preceding the game will be a colorful flag ceremony and drills by famous Canadian Legion Drill Teams. Another feature will be the presence of an augmented Scottish Pipe Band and Highland Dancers.

Alan Mowbray, the well known British Movie Star will kick off the game. It will be a pleasant afternoon for a very worthwhile cause.

ATOMIC BOMBSHELL OF THE ICE... It's energetic Evelyn Chandler, greatest acrobatic skater in the history of the frozen sport, who is back again with the Ice Follies of 1946, which opened its tenth anniversary edition at the Pan-Pacific Thursday night, Sept. 20. The Shipstads and Johnson classic will remain at the Beverly Blvd., Los Angeles, arena for a limited run.

Ice Follies of 1946 End First Week Before Throgs at Pan Pacific

The Big Three are back in town. Eddie and Roy Shipstad and Oscar Johnson, the ever popular maestros of the ice brought the Ice Follies of 1946 to the Pan-Pacific Sept. 20 for its annual world premiere. The show will remain at the Pan Pacific for a limited run.

This year's edition of the Follies is the tenth anniversary number and a flock of surprises are in store for local ice show fans as the Shipstads and Johnson have gone "all out" in the production of the new show.

Once again such old favorites as Roy Shipstad, world's smoothest skater; Eddie Shipstad and Oscar Johnson, North America's favorite comedians; Phyllis Legs, stilt skating queen; Heine Brock, master mimic; Hazel Franklin, English beauty; Frick and Frack, Swiss funnymen; Mae Ross, curvaceous red head; Jane Zeiser, youthful beauty; Dick Ramussen and Bill Cameron, new comic finds; Bobby Blake, red-headed king of the bobbysocks brigade; Barry Green, good looking Canadian boy; The Thomas Twins, Betty Schalow, Ole Ericson and Dick Mershon all bring enjoyment to Ice Follies fans.

Back again after two seasons absence is Evelyn Chandler, hailed as the world's greatest acrobatic skater. Evelyn, Mrs. Bruce Mapes in private life, left the show to have a baby. Little Susan is now learning to skate and Evelyn is back on the ice, greater than ever.

Tickets may be obtained easily by mail order. Simply inclose check or money order, state performance date, price and number of tickets desired. Enclose self-addressed envelope for speedy return of tickets. Prices range from \$3.60, \$3.00, \$2.40, \$1.80 to \$1.20. Matinees will be held both Saturday and Sunday for the limited run at the Pan-Pacific.

Air Service to Palm Springs To Be Resumed

Western Air Lines announced today (Thursday) that the Civil Aeronautics Administration has authorized the company to begin air service to the Imperial Valley cities of San Bernardino, Palm Springs and El Centro.

The operation will consist of two flights daily, starting sometime in November, according to L. H. Dwerlkotte, executive vice-president of Western Air. The exact inaugural date will depend upon availability of equipment.

Service by Western Air to the famed resort-center at Palm Springs and to the two rich agricultural communities was originally approved by the CAB on May 10, 1943, but was postponed at the order of the board because the Army needed all planes not absolutely essential to maintain wartime transportation.

The looped-shaped route which serves the three communities runs southeast from Los Angeles to El Centro, returning northward via San Diego and Long Beach.

Direct service between Los Angeles, Long Beach and San Diego has been maintained throughout the war, officials of the airline pointed out.

J. MacDonald To Give Concert In Long Beach

Jeanette MacDonald, popular soprano and Victor recording artist who appears October 9 at the Long Beach Municipal Auditorium, makes a tour of military hospitals whenever her concert tour and opera schedule permits. Her most recent swing took her to the U. S. Naval Hospital in Menlo Park, and the U. S. Naval Hospital in Shoemaker, California.

On these tours, Miss MacDonald delights the boys by singing her entire concert repertoire, besides complying with requests for the songs which have become favorites through her singing.

Jeanette MacDonald's mail is jammed daily with requests for her records, from jungle bases, gunnet huts, in Iceland, and hospitals here and abroad.

Miss MacDonald is appearing through the courtesy of Clifford Ellison and Sally Goldner in the Greater Artist Series.

Returning AAF Veterans Offered CAP Positions

The California Civil Air Patrol, an Auxiliary of the Army Air Forces, announces paid position appointments available to Army Air Force Veterans, under direction and authority of the Director of the California State Department of Education, and Wing Commander of the Civil Air Patrol, according to C. H. Holmes, Third Group Commander.

Appointments offer a future in peace-time aviation, travel opportunities, flying time, and good pay. All Army Air Force Veterans are eligible for the following positions:

Executive Officer—salary up to \$420 a month, plus a \$35 wartime emergency increase.
Liaison Officer—salary up to \$350 a month, plus a \$40 wartime emergency increase. There are two openings in this specific rank.
Liaison Security Officer—salary up to \$350 a month, plus a wartime specific rank.
Applications and complete information are available at Civil Air Patrol Headquarters Third Group Lomita Flight Strip, Torrance.

Colors of B-12 Student Sweaters Is Kept Secret

It is reported that the B-12 students at Torrance high school have recently ordered their sweaters and delivery has been promised within 90 days.

The color of these sweaters? Oh, that's a secret known only to the B-12 class members and no persuasion will permit its publication.

Elks Make Plans For Convention In Los Angeles

Spectacular events and colorful parades will highlight the three day California Elks Victory Convention in Los Angeles on Oct. 3, 4, and 5. D. D. Durr, chairman of the gathering, has announced. More than 6000 Elks from 80 lodges are expected to attend.

A star-studded cast of radio and screen stars will be present at the climactic event of the convention which will be held on October 5 in MacArthur Park. The public will be invited to join in the program which will be a War Chest rally.

One of the highlights will be the choosing of the most outstanding drum-major of Southern California to lead the massed bands of ten California lodges at the event.

Bands, drill teams and glee clubs will lend color and gaiety to the three-day session by conducting elaborate entertainment programs.

Many activities, "blacked-out" since December, 1941, will be revived during the three day period. This will include public demonstrations and band parades, tours of radio and motion picture studios, visits to the homes of stars, and trips to the beaches and foothills.

A special stage is being erected on Parkview avenue, in front of the Los Angeles Elks Temple, to accommodate 25,000 spectators who wish to see the mammoth War Chest rally.

Back again after two seasons absence is Evelyn Chandler, hailed as the world's greatest acrobatic skater. Evelyn, Mrs. Bruce Mapes in private life, left the show to have a baby. Little Susan is now learning to skate and Evelyn is back on the ice, greater than ever.

Tickets may be obtained easily by mail order. Simply inclose check or money order, state performance date, price and number of tickets desired.
