

### New Chemical Firm Here Result Of Boyhood Dream For Partnership

Two men with a business partnership dream between them, dating since they attended grade school together in Douglas, Ariz., recently realized fulfillment when they erected a building here and started in the manufacture of industrial cleaning compounds.

Archie Beard, who was chief chemical engineer for the Good-year Rubber Co. during the last war, and Arthur Pine, veteran Navy lieutenant who served as beach master during three major Army invasions, are now partners in the Mido Products

at 1801 Border ave. Beard, who Pine says is "the brains of the new company," handles the sales and runs the laboratory tests in experimental research work and chemical engineering for industrial cleaning problems. He is a graduate of Arizona State College at Flagstaff and U.S.C., and apparently is well qualified for this type of work due to his many years as a chemical engineer.

Pine has charge of the responsibility of production, which is no minor task judging from the 35 different types of cleaning compound now being manufactured. All these products are sold directly to the industrial consumer, Pine points out, and he lists the many uses for which they are sold. One preparation, Mido Dish Clean, which is a scientifically blended ingredient for hotel and restaurant machine dishwashing, was demonstrated with remarkable results.

Pine served for nearly three years in the Navy and saw action during the invasion of Africa, Sicily and Normandy, as a Navy beach master attached to the Army engineers. He also fought in the battle of Iwo Jima aboard the USS Talladega APA.

The former Navy lieutenant is married and recently purchased a home here. The couple have a nine-year-old son, Jimmie, who is enrolled in the Paige Military Academy in Los Angeles.

Beard, also married, is the father of a four-year-old daughter. Mr. and Mrs. Beard reside elsewhere, pending a location here.

### Lomita Redwings Drop 10-Inning Thriller Here

Old cross-town baseball rivals met Sunday in Torrance City park and made no pretense of becoming future friends as the ten-inning set to plainly indicated. The rivals, Torrance American Legion and the Lomita Redwings, colorfully battled each other for supremacy until Harold Jackson batted the horsehide for a double which scored the winning run for TAL.

Bob White started for TAL but was sent to the showers in the sixth after being touched for six runs and eight hits. Jim Daniels relieved White on the mound and checked the "Red" tide, allowing only one run with three hits.

Rowen, hurling for the Redwings, was clipped for seven hits and four runs during his seven innings and was replaced by Don Cottle who is no novice with a fast curve ball.

TAL promptly went to work in the first inning with little Buck Kuhn drawing a base on balls and Gar Johnson advancing him to second with a single. Hal Jackson marking his first game here since his release from the Fresno Cardinals, brought Kuhn home with a long double into right field. Gar and Hal then scored on Faulkenbury's single.

The Redwings, led by Manager Clair Aismuse, countered this early lead by scoring six runs before the seventh inning. TAL tied the game up in the eighth with neither team being able to score in the ninth. The Redwings scored a lead run in the top half of the tenth off one hit but TAL came back in the bottom half, aided by Lomitan Don Cottle, who stepped off the mound with the bases loaded and attempted to throw Daniels out at third. Daniels, who was far enough off third to walk home, tied up the ball game with his tally. Jackson then came through with a double to end the game 8-7.

Score by innings: R H  
Redwings... 001 122 000 1-7-11  
TAL... 300 001 020 2-8-13

Batteries: Redwings—Rowen, Don Cottle and Gus Mueller.  
TAL—Bob White, Jim Daniels and Bill Hicks.
