

"HERE'S AN OIL THAT DOES 5 JOBS AT ONCE!"

You can bet it's not by accident that RPM Motor Oil keeps your motor cleaner, gives it longer life. This oil's especially compounded to end carbon trouble, prevent corrosion, stick to hot spots that ordinary oils leave bare and exposed to wear, to fight oxidation, and to eliminate air-bubbles that would impair circulation. Best of all, RPM Motor Oil doesn't cost a cent more!

**Locals Split Double-Header With Eastside**

The Torrance American Legion ball club split Sunday's twin bill with the Eastside Beer barons in the local ball park dropping the first tilt 4-2 and mopping up the night-cap 5-1.

Manager Clair Ausmus robbed Eastside's hurler, A. Chinnis, of a no-hit game by bounding the horsehide for a two-base marker in the fourth driving in Kincaannon, who had made first on a fielder's choice.

In the night-cap Isreal, center fielder for Eastside, leading batter last season of the Wisconsin State league and property of the N. Y. Yankees, tripped to lead off the inning but died on base when TAL's rubber man Geisert went to work on the next three batters, whiffing them in order.

Geisert, former Gardena high school star, is a dangerous hurler once a man gets on base, and won his ball game with an icy sureness.

Eastside scored its lone run in the seventh inning when Bernett made first on a fielder's choice, and then proceeded to steal bases on Geisert's windup.

**BOWLING NEWS**

By EVA "TOOTS" YARBROUGH

The Torrance Bowl team found the alleys at the Broadway Bowling Academy very much to their liking last Sunday night. They won all three games from the 89 Club to hold on to that cherished No. 1 spot in the Inter-Cities 875 Traveling league.

Lomita Auto Parts won three games from Arrow Die Shop at South Gate Bowl to keep their team up in second place.

The results of the work that has been going on for the past two weeks at Torrance Bowl will have to be seen to be fully appreciated.

Al, Dud and Dad really went all-out to put the alleys up in A-1 condition in both looks and A.B.C. specifications. They certainly proved what a lot of paint and hard work can do for a place. The results are truly amazing.

Monday night marked the re-opening of the alleys to the public and started the league's season off again full force. All the leagues will bowl as scheduled this week.

Information to veterans who offered yesterday by Recruiting Officer E. M. Bryant, whose office is in Torrance post office.
