Torrance Golfers Steal Show At Palos Verdes

Torrance golfers stole the show at Palos Verdes country club over the weekend, contributing greatly to a triumph in public links team matches and getting a share in the mixed foursome tournament, a regular month-end feature.

Ray Sleppey, one of the outstanding amateur golfers of Southern California, set the pace for the team triumph when he paired with Ted Barnes of Wilmington to score a sweep win in a first team match against the Southern California C. C. squad. Sleppey fired a one under par 70 which included a seven on a par 4 hole, where he ran into trouble. Others on the winning team included Judd Wilcox of Torrance, Elmer Clements, Arnold MacDonnell and Ernie Krig of Redondo Beach.

George Fritts, 58-year-old former club champion, paired with Mrs. Muriel Hill, wife of a National Supply executive, to win low net in the monthly mixed foursome event, scoring a net 69 to lead a field of more than a dozen teams. Others on the winning list were Dave Jaramillo and Mrs. Lulu Messall, Kenny Relstab and Inez Smith, Charles Sullivan and Marcella Tanner, Roy McCall and Margie Sullivan, Nick Bobrick and Lonnie McCall, Lloyd Hill and Frances Barth; Press Tanner and Genevieve Wall, and Al Smith and Jean Miller.

As a result of their team triumph, the Palos Verdes squad next Sunday will oppose Sunset Fields on that team's home course, and will meet the same squad in a rematch on the Palos Verdes course on Nov. 17.

Touch Football Leagues To Open Play Monday

Schedules are being drawn up for boys touch football leagues to begin play here Monday, according to Elmer "Red" Moon of the Torrance Recreation department.

Early season showings indicate the Bruins, captained by Robert Buchanan and the Trojans under Victor Ordaz, will be the teams most feared in the Junior League. The Trojans skinned the Beavers 32-12 last Saturday and the Bruins smothered Troop 216 B.S.A., under a 37-0 score this week. In the Midget league, the Highjacks, captained by Billie Sommers, had a tough time in downing Charles Babbitt's Bulldogs, the final score reading 13-12.

Charlie Camou's Redskins had little trouble in beating Jack Boal's Dumbos 19-0.

In the Adult league, the Post ave. team downed the Ravens club 12-0 in a hard played practice contest, played last Sunday on the high school field.

Sunday at 10 a.m. the Post ave. boys take on Bob Lewellen's team at the high school site, and at 2 p.m. the Ravens club will mix it up with Donnie Cook's outfit. Both of these games will be practice games in preparation for league play, plans for which will probably be completed at a meeting of team managers between games Sunday.

Moon announced the high school gymnasium will be opened open for adult practice Tuesday.

Welters Meet Tomorrow Night

Bobby Trujillo, San Pedro's latest comer in the junior welterweight field who gave a masterful performance of left-jabbing in scoring a crowd-pleasing victory last week, will headline the amateur fight show at the Wilmington Bowl tomorrow night.

He will engage a highly-touted puncher from Santa Ana, Gil Morales.
