Hospitalized Vets' Christmas Gift Fund Is Red Cross Project

As in the past years, Red Cross is planning a large Christmas program for hospitalized men and women and it is felt that the same community cooperation will be assured this year as in years past.

The overall program calls for 19,500 gifts to be distributed to veterans' hospitals in West Los Angeles, San Fernando and Birmingham and to Navy personnel in the Arctic regions.

All donation checks, to be made payable to "The American Red Cross, Los Angeles Chapter" and marked "restricted for Christmas Fund," must be in by November 15. Donations from headquarters, Torrance Branch, 1345 El Prado, or to Mrs. Helen Miller, 1317 Beech ave.

This year there will be a revision in the type of gifts. Surveys by Red Cross in hospitals indicate that a worthwhile gift for each patient brings more lasting pleasure than many small items.

The committee has succeeded in procuring at cost the gifts men and women most desire, making the funds go twice as far by purchasing in wholesale quantities. Preferred gift items include cameras, cigarette lighters, razors, pocket knives, leather writing portfolios, manicure sets, hosiery, fountain pens. Foods and toilet articles have been stricken from the list.

A special appeal is made to Torrance organizations, clubs, churches and private citizens to remember these needy veterans by making them happy the donors will in turn enjoy a happier Christmas season.

Donations will be gratefully received now or until November 15 at Red Cross headquarters.

Torrance Library In Observance Of Children's Book Week

Jameson Library Branch of the Los Angeles County Public Library is joining in the annual observance of Children's Book Week, November 10-16. "Books Are Bridges" is the theme selected for this year's celebration, an especially appropriate one since Book Week is fast becoming international in scope. In 39 countries around the world, the Book Week program is this year playing its part in building world friendship. There is a satisfaction in realizing that we are increasingly becoming "United Through Books" as groups of children all over the world pay tribute to the same thing at the same time—the printed page.

The theme: "Books Are Bridges" suggests the high adventure of reading that takes the mind and spirit on journeys of discovery. Books can be bridges to lands around the world; they can lead to an understanding of other people, to an appreciation of the past and an understanding of the present. Books can also be sources of fun and entertainment as well as lead to realms of imagination and joy.

Torrance Clubwomen Attend District Meet At Huntington Meef
