TORRANCE PLANNED BUSINESS DISTRICT . . . This is an air photo of the Torrance central business district such as is printed in the new maps now being issued by the Torrance Chamber of Commerce for the City of Torrance. Principal streets are designated. This is the area in which the city plans to install more than 200 parking meters. Protesting merchants call attention to the vacant land shown in the photo which could be utilized for off-street parking.

SYMPATHETIC STRIKE
 The first "sympathetic" strike in the United States occurred in 1799 when shoemakers, belonging to an organization known as the Federal Society of Journeymen Cordwainers, were compelled to lay down their tools in order to aid the bootmakers who were seeking an increase in wages.

STOP SIGNS
 Motorists are cautioned to obey arterial stop signs at all times. That does not mean merely slowing down, quickly shifting into second gear, and then dashing off again. The signs say "Stop" and are put there for safety's sake.

Move Made To Increase Steel Supply Here
 Payment of freight charges by western priority steel buyers has been authorized by OPA as a result of demands placed before Housing Expediter Wilson Wyatt by the Los Angeles Chamber of Commerce, Chairman Carleton B. Tibbets of the Chamber construction industries committee said he was informed yesterday. In effect eastern mills were forced by the OPA price structure to absorb part of the freight costs causing them to make their sales in fields where freight charges were not so high, virtually eliminating shipment of steel to Los Angeles, Wyatt was informed by the Chamber when he was here.
