Letter Writing To Santa Starts Early This Year

Santa Claus has enlisted the help of the Santa Claus editor of the Torrance Herald again this year in getting in touch with lads and lassies of the community, and already the messages are coming in. They are being handled directly with the grand old fellow.
Drawing a three-cent postage stamp on the envelope and addressing it to Santa Claus, North Pole, little Frank Briganti this week inscribed a boyish note which read:
"Dear Santa—I want a two bike. I want a tank. I want a ball" and signs it, "Your friend Frank."
An additional note from the little fellow, which carried a Christmas seal for postage, clarified "two bike" by writing: "a two wheelbike, Santa."

Another letter enroute to the North Pole intercepted by the Torrance Herald was from a little boy who just signed his name, "Gene". "Dear Santa: I am dropping you a line to tell you what I would like to have for Christmas. If you could bring me a . . ."
From there on the youthful Gene resorts to two pages of code. But we are certain Santa will be able to decipher all his wants. Gene, by the way, forgot to even draw a stamp for the letter's postage. No doubt Santa will pay the charges on this one.
We suspect another letter writer, Judy, is a sister to Gene, even though her handwriting differs. The stationery and approach are the same. Judy writes:
"Dear Santa: I am writing to you to tell you I have been a good girl. (Ed. note: See what we mean? The "good girl" angle is technique!) I would like to have these things for Christmas . . ." She too goes the cipher route.

Adults may take a lesson from their juniors by doing their Christmas shopping early—Santa Claus said.
LUTHERAN LADIES
The Priscilla Circle of Lutheran church will meet at the home of Mrs. Karl H. Friberg, 1307 Fern avenue, on Thursday, December 5 with a pot-luck luncheon at noon.
A teachers' meeting is scheduled for Monday, December 2 at 7:15 and a meeting of the church council at 8 p. m. the same date.

Local Students Form Modern Literature Club

A new club started in Torrance high school is the Modern Literature club, with Miss Ethel Burnham, sponsor. Nancy Ann Whyte, student, suggested the idea of the organization.
The club has charter members and additional openings for those with an A or B in English, and in the 10th, 11th or 12th grades.
The club meets every other Thursday in the high school and is interested in modern books, both non-fiction and fiction. Members read up-to-date books and report on them at meetings of the club.
A plan is being worked out to buy books and give them to the library for all students to read.

Church Choir Anthems Here

The Girls' Choir of St. Andrew's church will again this Thanksgiving day sing the special seasonal anthems at the regular 10 o'clock service Nov. 28, at St. Andrew's church. For the past five years the Girls' choir have provided the traditional Thanksgiving music at the morning prayer service. Anthems to be sung by the girls will be: "I Will Magnify Thee, O God," by Spence; "Prayer of Thanksgiving" by Kromser and "We Plow the Fields and Scatter," by Schuly.
Mrs. Carl Lane, the choir's director for five years, has resigned its leadership under her
